Immunization Policy

Immunization Information

Barton Community College follows the established recommendations fo the Kansas Department of Health and Education (KDHE) and the American College Health Association (ACHA).

1. Proof of immunizations is not required but it is HIGHLY recommended that all college students review and update their immunizations.
2. Informative guidelines on immunizations are available in the Student Health Office.
3. Limited Immunizations may be obtained through Student Health Services at the beginning of each semester. A minimal fee is charged and pre-registration is required. A list of available immunizations and fees may be obtained in the Student Health Office.
4. Housing students and international students are asked to provide immunization information along with health assessment at enrollment.
5. All **INTERNATIONAL STUDENTS** are mandated to be seen in Student Health within 24 hours of arrival on campus. Mandatory TB screening will be completed, along with a health assessment including review of immunizations. The TB screening and updates of immunizations will be required to be completed prior to attendance of classes.
6. On campus housing students will be required by Kansas Board of Regents to show documented proof of meningitis immunization or sign a waiver.
