

**88-26-4. Credit.** (a) Transfer credit. Each community college shall accept credits from all courses and programs that are substantially equivalent to those offered at the community college, as determined by the community college accepting the credits. Any community college accepting transfer credit may evaluate the applicability of the credit towards meeting the graduation requirements. Any community college may award credit for other documented learning experiences, including military educational programs.

(b) Advanced standing. Any community college may award credit for advanced standing based on the policies adopted by that community college's board of trustees.

(c) Credit for lecture, laboratory, and other classes. Each community college shall record one semester hour of credit for any student attending a lecture class consists of at least 750 minutes of class instruction, plus time allocated for a final exam. Each community college shall record one semester hour of credit for any student attending a laboratory class, if the student has made satisfactory progress in the class and the class consists of at least 1,125 minutes. Each community college shall record one semester hour of credit for any student who completes a minimum of 2,700 minutes in on-the-job training, internships, or clinical experiences in health occupations. The number of semester hours of credit recorded for each distance education course shall be assigned by the community college that provided the course, based on the amount of time needed to achieve the course objectives in a face-to-face format. (Authorized by and implementing K.S.A. 71-201, K.S.A. 72-7514, and K.S.A. 74-32, 140; effective Oct. 29, 2004.)
