### About the Position:

As a Food Service Manager, you will be responsible for managing a significant portion of a unit operation as well as assist the Direct Supervisor in establishing and maintaining systems and procedures.

### Duties of this position include:

- Coordinate and process the ordering, receiving, storing, preparing and serving of food and related products
- Execute daily menus for specified location
- Assist in the unit forecast and accounting process
- Ensure the requirements for appropriate sanitation and safety levels in respective areas are met
- Supervise unit personnel regarding production, merchandising, quality and cost control
- Oversee labor scheduling, staffing and employee training

- Conduct inventory and records management audits to comply with Aramark, government and accrediting agency standards
- This position supervises inmates
- Other duties as assigned

Employment with Aramark Correctional Services is contingent upon the satisfactory completion of all required pre-employment screening checks. Once an offer of employment is made, applicants will be required to undergo various pre-employment screening checks including, but not limited to, criminal background checks. Criminal background check results are reviewed and analyzed in accordance with applicable law and all appropriate factors are considered, including the nature and gravity of the offense(s), the amount of time that has passed since the commission of the offense(s), the relationship between the offense(s) and the job being sought, operating contract requirements and factors required by state law.

### Qualifications

Ideal candidates possess a minimum of 1 to 3 years relevant experience (years of experience is greater for larger unit assignments). Candidate must implement quality control procedures to enhance efficiency in the preparation, presentation and service of food. Ability to communicate effectively with clients and support staff as well as respond effectively to changing demands is a key factor of this job. P&L accountability and/or contract-management service experience is preferred. Proficiency in all Microsoft Office applications is required.
