MATCHING YOUR TRAINING WITH QUALITY EMPLOYMENT.

Konza Prairie Community Health and Dental Center is a Federally Qualified Health Center providing comprehensive Medical, Dental and Behavioral Health to all populations. We offer care to insured patrons as well as offer options for those who are uninsured.

Our facility offers a variety of in house services: Laboratory, Radiology and Pharmacy.

There are opportunities for growth in many areas. We seek highly motivated, innovative individuals to join our team and continue to impact our community through our mission to provide quality healthcare and wellness.
