ENDS Statement Five Regional Workforce Needs Fiscal Year 2016

Workforce Training and Community Education Division

Indicator #1 The College will develop strategies to identify and address on-going needs

The College's Workforce Training & Community Education Division utilizes a variety of external resources to respond and serve regional workforce needs.

Advisory Boards

- Individuals who serve on advisory boards are representatives of business and industry and other community sectors pertinent to the program.
- Members assist in the development and enhancement of programs that ensure students have the skills necessary to compete and succeed in the workplace
- Advisory board involvement examples:
 - Nursing advisory board demonstrates ongoing support for the program with consistent employment of program graduates. The board also participated in ACEN and KSBN accreditation and approval reviews this fall.
 - Business advisory board member, Christina Hayes, has partnered with Kathy Boeger, Business I/C, to introduce new community programming for business students.
 - Automotive advisory board members provided comment about strategies to enhance program enrollment.
 - Natural Gas board members provided assisted with strategies to enhance program enrollment.
 - Information Technology board verbalized support for the College to implement non-credit vendors for online continuing education programming.
 - Medical Support board voiced support for the implementation of an online, noncredit Medical Scribe program.
 - A collection of advisory board members supported the division's Career Fair earlier this year through volunteering their time at the program's booth.
 - EMS, Criminal Justice and Nursing board members participated in the annual Field Ops event.
 - Weights & Measures board verbalized support for the development of a new Scales Technician certificate program; participated in an employer survey that provided content for the program application.

Adult Healthcare	Industrial Technology
Agriculture	Information Technology
Automotive	Medical Support Programs (MA, MC, MAT)
Business	Medical Laboratory Technician
Criminal Justice	Natural Gas
Dietary Manager	Nursing
Early Childhood	Pharmacy Technician
Emergency Services Education	Weights & Measures

2014-2015 Workforce Advisory Boards

School Districts

- District partnerships provide insight into the educational interests and needs of secondary students as they look forward to post-secondary education.
- Districts support the availability of SB#155 funds; high school students pursue online CTE coursework as well as participate in CTE courses offered at select high schools in the service area.

Darton partners with 15 mariadal schools	
USD 112 – Central Plains	USD 401 – Chase
USD 355 – Ellinwood	USD 327 – Ellsworth
USD 428 – Great Bend	USD 489 – Hays
USD 431 – Hoisington	USD 395 – LaCrosse
USD 495 – Larned	USD 405 – Lyons
USD 403 – Otis-Bison	USD 496 – Pawnee Heights
USD 407 - Russell	USD 350 – St. John
USD 112 - Wilson	

Barton partners with 15 individual schools within 14 school districts

School Districts Highlights:

- Concurrent Enrollment Partnership (CEP) faculty reviews were completed and schools notified of changes (as applicable) to teaching assignments and course availability.
- School districts demonstrated support for WTCE Division's first Career Fair (2/29/16); 200 students attended.
- Hosted first USD meeting (fall '16); great attendance, discussion and networking

Industry Partnerships

- Business & industry partnerships advance the College's goal of providing responsive education suitable for a trained workforce.
- Industry provides an awareness of business needs and interests, including employment opportunities, desired workplace skills, economic changes, etc.
- Partnerships must be constantly developed, nurtured and maintained for effective results.

Chamber of Commerce & Economic Development Boards

- The College's involvement with Chambers and Economic Development Boards promotes the institution's awareness of community needs and developments.
- The College currently serves as a member of all service area Chambers.
- Area chambers distribute information about college programs, activities and opportunities with their membership.

Program Development - Labor Data

- WTCE division initiated work with the Institutional Research (IR) Department this year to implement Phase Zero projects to identify potential new programming.
- The division also began working with IR to collect state and national employment data.

Trends & Opportunities

- Stay abreast of local, state and national occurrences.
- Active partnerships, participation in community activities, attendance at state meetings, and awareness of political and strategic events position the College to act in a responsive manner with respect to addressing regional workforce needs.

Indicator #2 The College will organize area resources in addressing needs

Indicator #3 & 4 The College will build effective partnerships in addressing workforce needs and be recognized as a leader in economic development.

Customized Training (July 1, 2015-June 30, 2016)

In addition to a variety of career technical certificate and degree programs, the Workforce Training & Community Education Division offers employers the opportunity to tailor training for their organizations and employees. The following captures a list of customized training that was offered in response to industry requests and needs:

TRAINING PARTNER	TITLE	ACT ENRL
Great Bend Regional Hospital	Winning Customer Service Techniques	146
SJN Bank – Hudson	Winning Customer Service Techniques	3
Kansas Land Title Association	21 Century Leadership Skills	15
Great Bend Regional Hospital	Winning Customer Service Techniques	160

Case New Holland	Planting Equipment	36
Kansas Department of Agriculture	Scale Technician Continuing Education	380

ENDS Statement Five Regional Workforce Needs Fiscal Year 2016

Fort Riley Technical & Military Programs

The College will address regional workforce needs...

Indicator #1 - The College will develop strategies to identify and address on-going needs

The Fort Riley Technology and Military Programs Division utilize a variety of resources to respond to regional (national) workforce needs. Specific agencies and resources that regulate and assist with the identification of workforce training needs include:

Military Directives

- Military doctrine and service schools (Army Regulations)
 - The Army Training and Doctrine Command (TRADOC)
 - Quartermaster (logistics)
 - Transportation
 - Combat Arms (Infantry, Artillery, Military Police, Engineers, Chemical Corps)
 - U.S. Army Medical Department (AMEDD)
 - Research
 - Laboratory
 - War fighting
 - Training
 - National Guard Bureau
 - Federal regulations
 - State regulations
- Post/State requirements/regulations (Post/Division Regulation Supplements)
- Brigade/Unit requirements (ARTEPS) Army Training and Evaluation Programs

Governmental Directives

- Department of Labor (CFR 29)
 - o Occupational Safety and Health Administration
 - General Industry (1910)
 - Construction (1925)
- Department of Transportation (CFR 49)
 - National Highway Traffic Safety Administration
 - Federal Aviation Administration
 - Federal Motor Carrier Safety Administration
 - Pipeline and Hazardous Materials safety Administration
 - o Federal Railroad Administration
- Kansas Department of Transportation

- Transportation of Hazmat
- Transportation Safety
- Environmental Protection Agency (CFR 40)
 - o Clean Air and Water ACT
 - o Resource Conservation and Recovery Act (RCRA)
 - Superfund Amendments and Reauthorization Act (SARA)
 - Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA)
- Kansas Department of Health and Environment (KDHE)
 - Household Hazardous Waste (HHW)
 - o Land Fills and Solid Waste
- Department of Homeland Security (DHS)
- Federal Emergency Management Agency (FEMA)
 - Presidential Directives
 - o Federal Policy
- Kansas Department of Emergency Management (KDEM)
 - o Geary, Dickenson, Clay and Riley County Emergency Management
 - Community Emergency Response Team (CERT)
 - National Incident Management System (NIMS)
 - Incident Command System (ICS)

Advisory Boards/Committees

- An essential ingredient to connect classroom instruction with workforce needs.
- Individuals who serve on advisory boards are recognized and respected representatives within their field.
- Members assist in the development of programs that ensure that our students have the skills necessary to successfully complete work place tasks.
- Recommend class/skill changes within programs or classes.

Emergency Management (Homeland Security)	Federal Emergency Management Agency (FEMA) "Higher Education Program", Kansas Department of Emergency Management (KDEM), Kansas Emergency Management Association (KEMA)
Occupational Safety	OSHA, Midwest OSHA Training Consortium, USARMY Safety Command, Fort Rucker (C- 12), National Environmental Safety and Heath Training Association (NESHTA)
Logistics Management	The Army Training and Doctrine Command (TRADOC), Army Fort Riley

Maintenance Management	The Army Training and Doctrine Command (TRADOC), Army Quartermaster Center, Fort Riley Material Command
Leadership	The Army Training and Doctrine Command (TRADOC), Department of Defense (DOD)
Hazardous Waste Management	Army Chemical School, Department of Transportation (DOT), Kansas Department of Transportation (KDOT), Kansas Department of Health and Environment (KDHE) Hazardous Materials Training and Research Institute (HMTRI),
Transportation of Hazardous Materials	The Army Training and Doctrine Command, (TRADOC), Department of Transportation (DOT), Kansas Department of Transportation KDOT (KDOT), Hazardous Materials Training and Research Institute (HMTRI),
Emergency Medical (Military)	USARMY, Army Medical Department (Fort Sam), National Registry
Environmental Compliance	National Partnership for Environmental Education and Training (PETE), Advanced Technology Environmental and Energy Center (ATEEC), Kansas Department of Health and Environment (KDHE), Environmental Protection Agency (EPA)

Employers

- It is critically important that the College extend itself to employers in all our service areas to develop and maintain professional relationships.
- Creation of these partnerships places the institution in a position of awareness with respect to current and future happenings within the business community, i.e. available positions, skills needed, economic changes, etc.

Technical Committees

- The Fort Riley Technical and Military Programs departments' involvement with various military and community committees provides insight to current and future training needs.
- The department currently serves as a member of the Kansas Department of Labor Safety Committee.
- Member of the Salina Area Safety Committee.
- A board member and past national chair for National Partnership for Environmental Technology Education, NPETE.
- Board Member of the Community & College Consortium for Safety & Health Training, CCCHST.

Trends & Opportunities

- The Hazardous Materials & Emergency Services, OSHA Training Institute and Military Programs department participates in numerous workshops and conferences state wide as well as nationally.
- The Department participates in American Council on Education Military and Industry Reviews throughout the nation. These reviews allow the department to compare local curriculum with other industry and military training providers.
- Instructors and instructional staff attend specialized training opportunities provided by state, regional and national consortiums that provide new or updated workplace skills.
- Attend bi-annual OSHA directors meetings where OSHA's training institute as well as the other 28 Education centers meet to plan and discuss training mandates and curricular matters on a national level.

Indicator #2 - The College will organize area resources in addressing needs

- The military program provides services as needed throughout the state of Kansas and nationally with training provided in over 13 states.
- The Hazardous Materials program has provided contract as well as custom certificate training across the state of Kansas for KDHE, KDOT, community college/tech programs and several large and small businesses.
- The Hazardous Materials & Emergency Services Training Institute as the first and only OSHA Training Institute in the state of Kansas and 1 of 4 in region VII has conducted classes throughout the state of Kansas.

Indicator # 3 & 4 - The College will build effective partnerships in addressing workforce needs and be recognized as a leader in economic development.

- Several Memorandum of Understandings have been in place for over 15 years with Fort Riley and the Kansas National Guard.
- The HMESTI/Military department participates on several national boards and committees; National Partnership for Environmental Training and Education (PETE), Community and College Consortium of Safety and Health Trainers (CCCSHT), Sustainable Energy Education and Training (SEET), Federal Emergency Management Agency (FEMA) Higher Education Project, Local Emergency Planning Committee, Geary County (LEPC), Community Emergency Response Team (classes and coordination) several staff/instructors are volunteer firefighters and EMS within Riley, Dickenson, and Clay counties.
- The HMESTI department participates in curriculum development through our partnerships with PETE, CCCHST and FEMA. Several of these curriculum development workshops have led to adoption of the curriculum by federal agencies i.e. Disaster Site Worker course, OSHA/EPA, Foreign Animal Disease, Department of Homeland Security, Combustible Dust, OSHA as well as several other courses. We were selected to participate on a FEMA Higher Education Focus group (5 members from across the nation) to develop core outcomes for an Associate degree in Emergency Management to be used nationally.
- Serve on Kansas Department of Labor's advisory committee for Occupational Safety and Health
- We provide fit testing and training for several county and city health departments as well as fire and police departments.
- The Hazardous Materials and Emergency Services department partnered with the National Partnership for Environmental Technology & Education, PETE and the Community and College Consortium of Safety and Health Trainers, CCCSHT in obtaining grant funding from the National Institute Environmental Health and Services, NIEHS to provide HAZMAT and OSHA training for transitioning soldiers, family members and veterans as well as conducting a Disaster site worker class in Florida each January to 20-25 community College faculty for across the U.S. We also obtained a 1 year grant from DOT for conducting 5 Train-The-Trainer classes to Transitioning soldiers, family members and veterans.
