Developmental Education Purposes

- To preserve and make possible educational opportunity for each post-secondary learner.
- To ensure proper placement by assessing each learner's level of preparedness for college course work.
- To develop in each learner the skills and attitudes necessary for the attainment of academic, career, and life goals.
- To enable learners to acquire the knowledge and skills needed to succeed in mainstream college courses.

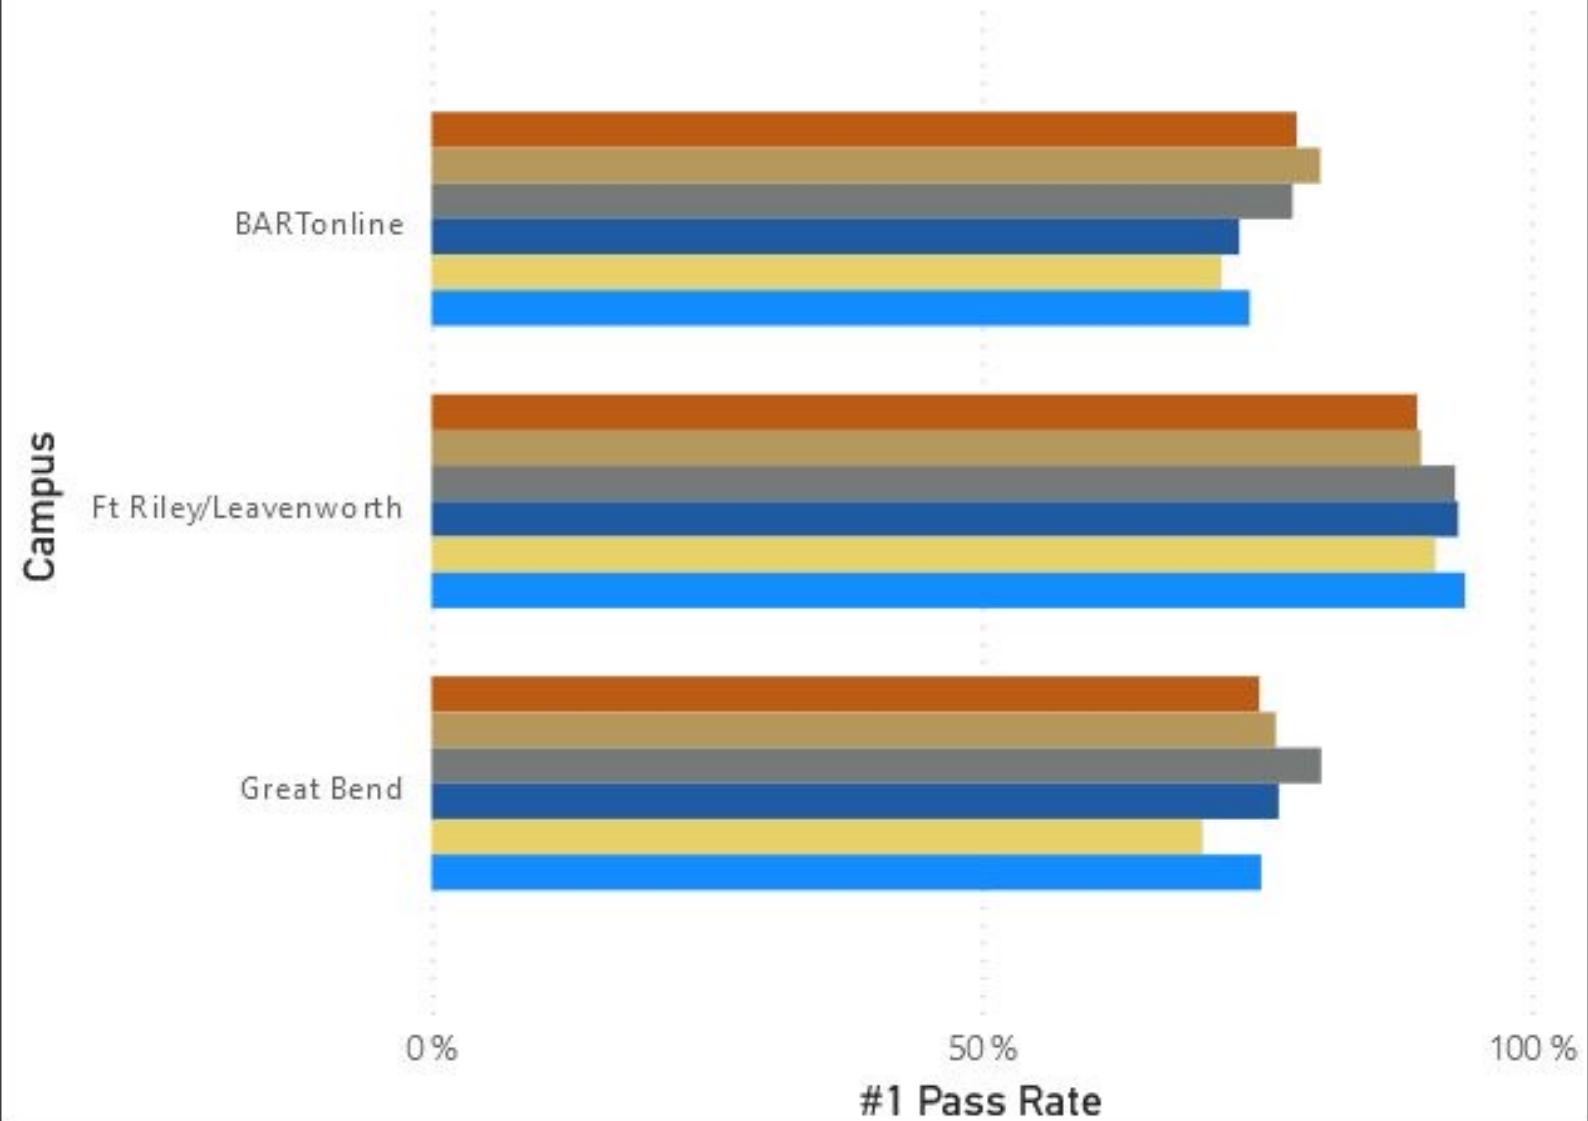

Focus Points

- Assessment and Placement of students
- Courses designed with developmental best practices
- Embed affective skills in developmental courses
- Flexible scheduling
