Message from the President

Barton Community College provides for a comprehensive learning environment and is committed to the success of each student. Essential to our commitment is the safety and security of our students, employees, and members of the public.

To this end, Barton addresses its responsibility for accountable repowering as dictated by the Jean Clery Disclosure if Campus Security Policy and Crime Statistics Act. This guide mandates higher education institutions to disclose information concerning crime on and near college facilities.

The Barton Campus Safety Office, in coordination with the Dean of Administration and the Clery Act Compliance Team prepares this report annually in order to meet the safety provisions outlined in the Clery Act. This report is created in cooperation with local law enforcement agencies in the area, Student Services, Student Housing, Campus Security Authorities, and other departments and individuals which may have information necessary to comply with the Clery Act.

The 2016 Annual Security Report is published on our website and provides information concerning programs, services, and statistical information. If you have any questions, or need additional information, please contact the Barton Campus Safety Office at (620) 792-9217 or the Student Services office at (620) 792-9282.

Carl R. Heilman, Ph.D.
**CLERY ACT**

The Jeanne Clery Disclosure of Campus Safety Policy and Campus Crime Statistics Act, commonly referred to as the Clery Act, is a federal mandate requiring all institutions of higher education that participate in federal student financial aid programs to disclose information about certain campus policies, procedures, and crime that occurs on the campus and certain off-campus locations. The Clery Act affects nearly all public and private institutions and is enforced by the U.S. Department of Education.

Jeanne Clery, a 19 year old Lehigh University freshman, was raped and murdered while sleeping in her dorm room in 1986. Jeanne did not know her killer. He was a freshman student at the university. Her assailant is now spending his life behind bars without parole.

Her parents believe that she would have been more cautious if she had known about other violent crimes at Lehigh University. The Clerys committed themselves to creating enduring change. They were alarmed by the lack of information provided students and families about the rapid increase of violent and non-violent incidents on campuses; they realized that while crimes were being reported to campus authorities, administration often failed to provide adequate warnings about those incidents – even more troubling, there were no uniform laws mandating them to do so.

The Clerys took their fight to Capitol Hill. In 1990, three years after the organization’s founding, Congress approved the Crime Awareness and Campus Security Act. Later renamed in Jeanne’s memory, the Jeanne Clery Act took effect in 1991. It requires colleges and universities to disclose their security policies, keep a public crime log, publish an annual crime report, and provide timely warnings to students and campus employees about crimes posing an immediate or ongoing threat to students and campus employees. The law also ensures certain basic rights for victims of campus sexual assaults and requires the U.S. Department of Education to collect and disseminate campus crime statistics.

---Clery Center for Security on Campus

Additional amendments occurred in 2013 when The Violence Against Women Reauthorization Act (VAWA,) also known as the Campus SaVE Act, was signed into law which imposes additional obligations on colleges and universities under Title IX and Clery crime reporting. Under VAWA, colleges and universities are required to report Sexual Misconduct, Domestic Violence, Dating Violence, and Stalking along with crime categories the Clery Act already mandated. A definition of these and all other Clery reportable crimes and statistics are found at the end of this report.

**GOAL**

The goal of the Clery Act is to ensure that accurate information about campus crimes committed and security procedures are published and accessible to students, employees, parents, prospective students and employees, and the public.

---
Preparing the Annual Security Report (ASR)
The Barton Community College Campus Safety Office, in collaboration with the Clery Act Compliance Team (CACT), and the Sexual Misconduct and Assault Resource Team (SMART) prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Campus crime, arrest, and referral statistics include those reported to Campus Safety, designated campus officials, and crime statistics from law enforcement agencies with jurisdiction surrounding the Barton Community College campus.

This report includes statistics for the previous three years concerning reported crimes that occurred on campus, and on any public property within, or immediately adjacent to and accessible from the campus. It includes institutional policies concerning campus security, alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters required by law. This publication is made available to all members of the college community and the public.

Distribution of the Annual Security Report
Compilation and distribution of an annual report is mandated for all institutions participating in the student financial aid programs under Title IV of the Higher Educations Act of 1965. Under the Crime Awareness and Campus Safety Act of 1990, institutions are required to disclose information about campus safety policies and procedures and to provide statistics concerning the occurrence of certain criminal offenses by designated categories. The report must also include statements about campus law enforcement policies, Campus Safety education and prevention programs, alcohol and drug policies, sexual assault education, vehicles(s) for reporting and procedures for handling reports of sexual assault.

The 2008 Amendments to the Higher Education Opportunity Act (HEOA) require Title IV Institutions to collect and publish statistics related to fire and/or smoke events as well as fire prevention policies and fire safety equipment as these items pertain to residence halls owned and controlled by the institution.

For further information about the Annual Security Report, Fire Safety Report, or the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act view the report online (http://bartonccc.edu/campussafety) or to request a paper copy of the report(s), contact the Barton Campus Safety Office at 620.792.9217.

Each year, a campus-wide email notification is made to all faculty and staff and currently enrolled students, about the availability of this report.

All prospective students or employees may view a copy by contacting the Lead Campus Safety Officer at 620.792.9217 or in person at T-154 or by contacting the Barton Coordinator of Facility Management at 620.792.9339 or in person at T-153 during regular office hours.

In addition to this report, the College maintains a Daily Crime Log of crimes committed. The crime log for the most recent 60-day period is open to public inspection, upon request, during normal business hours (7:30 a.m. to 4:30 p.m.) Any portion of the log that is older than 60 days will be made available within two business days of a request for public inspection. For further information about the Crime Log, contact the Barton Campus Safety Office at 620.792.9217.
I. GEOGRAPHY

Barton Community College is comprised of a main campus located in Great Bend, Kansas with several non-campus locations that are used by the College. The College has identified all areas that are public property adjacent to campus, off campus, and the campus itself. Those defined geographical areas are used to capture data of reported crimes to Campus Safety and local law enforcement and is used for inclusion into the annual security report. Further detail can be found in Section XI CLERY GEOGRAPHY, CRIME DEFINITIONS, and CRIME STATISTICS. Questions related to Clery Geography may be addressed to the Dean of Administration, 620.792.9235 or ext. 235.

II. CRIME STATISTICS

See page 38, Section XI, CLERY GEOGRAPHY, CRIME DEFINITIONS, and CRIME STATISTICS

III. CAMPUS SAFETY AUTHORITY

“Campus Safety Authority” is a Clery Act-specific term that encompasses four groups of individuals and organizations associated with an institution.

- **A campus police department or a campus security department of an institution.**

- **Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).**
• Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.

• An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

The following employees have been identified as Campus Safety Authorities and are required to report crimes for the Annual Security Report. The intent of including non-law enforcement personnel in the role of CSA is to acknowledge that some community members, particularly students, may be hesitant about reporting crimes to Campus Safety or the police; however, they may be more inclined to report incidents to other campus-affiliated individuals.

Crime/Emergency and Non-Emergency Reporting
Regardless of CSA or non-CSA status, all College community members, visitors, and guests are encouraged to promptly report all campus criminal incidents and other public safety related emergencies to Campus Safety. For incidents requiring immediate attention call 911, non-emergency incidents can be reported by dialing 620.792.9217, 217 from any campus phone, or in person at the Campus Safety office located in Room T-154, Technical Building; 245 NE 30 Road, Great Bend, Kansas.

Campus Counselors and Confidential Reporting
Certain individuals who have significant responsibility for student and campus activities are exempted from disclosing information. As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors,” when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for investigation and inclusion into the annual crime statistics.

- **Pastoral counselor.** A person, who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor.

- **Professional counselor.** A person whose official responsibilities include providing mental health counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification. This definition applies even to professional counselors who are not employees of the institution, but are under contract to provide counseling at the institution.

To be exempt from disclosing reported offenses, pastoral or professional counselors must be acting in the role of pastoral or professional counselors. This means that a dean of students who has a professional counselor’s license, but is employed by the institution only as a dean and not as a counselor, is not exempt from reporting.

Barton has no pastoral counselors, but does employ a professional counselor. A professional counselor is an employee of an institution whose official responsibilities include providing mental health counseling to members of the institution’s community, and is functioning within the scope of the counselor’s license or certification.

Who is not a Campus Safety Authority?
The following non-CSA positions / functions include but are not limited to: faculty member without responsibility for student and campus activity beyond the classroom; physicians/nurses in the Health Center who only provide care; clerical or administrative support staff; cafeteria staff; facilities maintenance staff; information technology staff, licensed mental health or pastoral counselors, when acting within the scope of their license or certificate; and other like functions.

Role of a Campus Safety Authority (CSA)
CSAs are encouraged to report all crimes reported to them on a timely basis to Campus Safety. However, under the Clery Act, CSA’s are only obligated to report Clery Act qualifying crimes that occurred on campus in public areas bordering campus and in certain non-campus buildings owned or controlled (leased) by the College. The intent of including non-law enforcement/safety
personnel in the CSA role is to acknowledge that some community members and students in particular, may be hesitant about reporting crimes to the police or to Campus Safety but may be more inclined to report incidents to other campus employees that are affiliated with the College.

Annual training for CSAs is provided through a cooperative effort between the Sexual Misconduct and Assault Resources Team and the Clery Act Compliance Team. Training documentation is maintained by the Title IX Coordinator.

In general, CSA responsibilities include:
- Complete annual, mandatory training.
- Dial 911 in an emergency or if anyone is in imminent danger.
- Provide resources or referral to the individual for help and support.
- Inform the individual that the incident must be reported as a confidential statistic.
- Report Clery Act crime allegations, made in good faith, to Campus Safety as soon as possible.
- When in doubt, report the crime!

**CSA Incident Reporting Procedures**
A Campus Safety Authority (CSA) who receives information regarding a Clery Act reportable incident is responsible for submitting a Campus Safety Voluntary Statement to the Coordinator of Facility Management within 24 hours of receiving the information. It is not the responsibility of the Campus Safety Authority to determine whether a crime took place. When in doubt, a Campus Safety Voluntary Statement should be completed and submitted. It is also not the CSA’s responsibility to try and convince a victim to contact law enforcement if the victim chooses not to do so.

View Flow Chart on the following page.
In an emergency, including acts or threats of violence, always call 911. CSAs should not investigate the crime or attempt to determine whether a crime, in fact, took place. When in doubt, complete and submit a Campus Safety Voluntary Statement.

A CSA must report an incident if it occurred:
- On campus
- In on-campus housing facilities
- On public property adjacent to the campus (e.g., sidewalks, roads, parking lot)
• On non-campus property owned or controlled by the College

Procedure for Collecting and Reviewing Crime Reports from CSAs
The responsibilities of the Coordinator of Facility Management, in collaboration with the Lead Campus Safety Officer include:
• Compile and disclose statistics of Clery Act Crimes that occurred on On-Campus Property, Non-Campus Property, and Public Property.
• Collect Clery Act Crime data made to Campus Safety, CSAs, and local law enforcement.
• Contact CSAs at the end of each semester (or cycle) requesting any unreported crime data or a statement indicating that no crimes occurred during the reporting period.
• Contact local law enforcement annually requesting any unreported crime data or a statement indicating that no crimes occurred during the reporting period.
• Maintain a Daily Crime Log and make the Crime Log available for review.
• Collaborate with the Clery Act Compliance Team to provide annual training for CSAs
• Evaluate CSA crime reports for potential inclusion in the Annual Security Report.
• Complete the Department of Education annual Campus Safety and Security Survey using Clery Act crime statistics reported over the past three years.
• Publish and distribute an Annual Security and Fire Safety Report by October 1, including:
  o Clery Act crime data by type and location;
  o Policies, procedures, and programs.

IV. STATISTICS FROM LOCAL LAW ENFORCEMENT AGENCIES

In addition to collecting crime reports from campus security authorities, Barton Community College makes a good faith effort in obtaining Clery crime statistics from local law enforcement agencies that have jurisdiction over the school’s Clery geography. Each year a letter is submitted to those agencies requesting crime data on property that the College has identified as public property adjacent to campus, off campus, and the campus itself. Those defined geographical areas are used to capture data of reported crimes from those agencies and is used for inclusion into the Annual Security Report. For purposes of documentation, the response letters are retained by the Campus Safety Office. Accordingly, if no response is received, that lack of response will be noted in the Annual Security Report.

V. DAILY CRIME LOG

In accordance with Federal Law, the College maintains a Daily Crime Log of all alleged criminal incidents, including non-Clery Act crimes, reported to campus security regardless of how much time has passed since the alleged incident occurred. The Coordinator of Facility Management and the Lead Campus Safety Officer are responsible for maintaining the electronic crime log which includes the following information:
• Nature of the crime
• Date and time the crime occurred
• General location of the crime
• The disposition of the complaint, if known

The server on which the Crime Log resides is backed up each evening and copies are stored on a separate unit.

The crime log for the most recent 60-day period is open to public inspection, upon request, during normal business hours (7:30 a.m. to 4:30 p.m.). The crime log is open for inspection to
the public and includes the nature of the crime, date of occurrence, time of the occurrence, general location and disposition of the complaint, if known. The most recent 60-day period must be made available immediately and any portion of the log that is older than 60 days will be made available within two business days of a request for public inspection. The law requires that this initial information be open for public inspection within two business days of the report of the crime unless the release of the information would jeopardize an on-going investigation, cause a suspect to flee, prohibited by law, would jeopardize the confidentiality of the victim, or result in the destruction of evidence. It also requires new information about the entries be made available within two business days.

For further information about the Crime Log or to view the Crime Log, contact the Barton Campus Safety Office at 620.792.9217 or ext. 217.

VI. EMERGENCY NOTIFICATIONS AND EVACUATION PROCEDURES

An Emergency Notification is triggered upon confirmation of a significant emergency or dangerous situation occurring on the campus that involves an immediate threat to the health or safety of students or employees. An “immediate” threat includes an imminent or impending threat, such as an approaching forest fire, or a fire currently raging in a campus building. Some other examples of such threats include:

Decision to Issue an Emergency Notification—Responsibility

The decision to issue an Emergency Notification is made in coordination and consultation by at least two of the following personnel from the Emergency Response Team. In an extreme emergency, the notification process will be implemented at the sole discretion of the College’s Dean of Administration or Vice President of Instruction and Student Services.

Access
The Barton Campus Safety Office controls access to Barton County Campus facilities. During the College’s regular operating hours, the College (excluding student housing) is open to students, employees, visitors, guests, contractors, and invitees. Barton Campus Safety Officers regularly patrol the campus and Student Housing 24 hours a day.

After-hours access to academic and administrative buildings is allowed only to personnel who have a legal and legitimate reason to be in the buildings during those times. Outside of normal operating hours, Campus Safety escort or assigned keys are required to access certain restricted areas. Some facilities may have individual hours, which may vary at different times of the year. Examples are the Kirkman Student Activity Center, Shafer Memorial Art Gallery, Student Union, and Learning Resource Center. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility. For information about the access protocol for a particular building or to request an escort on or off campus, contact Barton Campus Safety at (620) 792-9217.

Visitors seeking access to a building for an event are granted access by the College facility reservation system. Intercollegiate athletic facilities and events are restricted to paying customers, students with current student IDs and faculty and staff with tickets. Access during athletic events is controlled, and security is provided as needed and required.

Security cameras are placed at strategic locations around campus, in most buildings and parking areas. Cameras are focused on areas of higher risk, such as facility entrances, elevators, and secure areas. Safety Officers routinely monitor cameras from a central monitoring and recording station.

Security Considerations used in Maintenance of Campus Facilities
The Barton Facilities Management staff maintains buildings, grounds, utility systems, and custodial services with concern for safety and security. The staff inspects campus facilities regularly, promptly makes repairs affecting safety and security, and responds immediately to reports of potential safety and security hazards, such as broken windows and locks. They provide electricity, running water, waste disposal, custodial services, landscape maintenance, building renovation and emergency repairs. During non-office hours and holidays, a Facility Management representative is on-call to respond to emergencies. Campus Safety Officers regularly patrol the campus and Student Housing and report unsafe physical conditions to Facility Management. Faculty and staff are also encouraged to report maintenance issues. For information about any of these services, call Facilities Management at (620) 792-9339 for emergencies that occur outside of business hours, contact Campus Security at (620) 792-9217.

Note: Information related to Security, Access, and Maintenance for the Barton County Campus, Fort Leavenworth, Fort Riley, and Grandview Plaza is included in Section VIII. a. Reporting Criminal Actions or Other Emergencies on Campus.

e. Barton County Campus Safety Officer Authority and Jurisdiction

Barton County Campus Safety Officers possess all law enforcement powers authorized by the State of Kansas under K.S.A. 72-8222. Accordingly, the protective function of school security officers shall extend to all property of the community college and the protection of students, teachers and other employees together with the property of such persons on or in any community college property or areas adjacent thereto, or while attending or located at the site of any community college-sponsored function. While engaged in the protective functions specified in this section, each school security officer shall possess and exercise all general law enforcement powers, rights, privileges, protections and immunities in every county in which there is located any part of the territory of the community college.

The Campus Safety Department consists of seven (7) full time officers who provide 24 hours a day year round services to the Barton County Campus. Safety Officers respond to calls for emergency or routine services including, but not limited to:

- Patrol campus, check, and maintain security for all buildings and grounds;
- Provide campus safety services (unlocking/locking building doors, starting stalled vehicles, emergency weather notification, response to campus emergencies, monitor campus events, assist campus visitors, etc.);
- Investigate and document college criminal or traffic concerns/complaints;
- Maintain a report log of duties performed;
- Receive Campus Safety Voluntary Statements and alert Title IX Coordinator as required;
- Maintain Daily Crime Log (Lead Campus Safety Officer); and
- Assist with the development of the Annual Security and Fire Safety Report (Lead Campus Safety Officer.)

In cases of minor violations of state statute, city and county ordinances, or College rules, regulations or policies, campus safety officers may, in addition to, or in lieu of criminal charges, refer violators to the Dean of Students for disciplinary action under the Code of Student Conduct.
Criminal incidents are referred to the local law enforcement agency that has jurisdiction on the respective campus. The Barton County Campus Safety Department has a highly professional working relationship with neighboring jurisdictions. On a regular basis the departments share information, assist with investigations and training, and provide uniform back-up when needed. All crime victims and witnesses are strongly encouraged to immediately report the crime to the Barton Campus Security office and the local law enforcement agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

Officers receiving information in reference to a crime occurring on campus will initiate a written report of that crime. Incidents involving criminal activity are brought to the attention of all Campus Safety Officers and may be reported to the Barton County Sheriff's Office for further investigation, if needed. These reports may be forwarded to the office of the Barton County Attorney for possible criminal charges. The County Attorney has final discretion over the disposition of all criminal cases.

X. SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS

The Barton Campus Safety Office is responsible for providing security awareness and crime prevention education for the Barton County Campus. The Lead Campus Safety Officer is charged with the development and implementation of programs including:

- Student housing security awareness and crime prevention presentations at the beginning of the academic year and as needed.
- Implementation of the Run-Hide-Fight training for employees. Currently, the course is being reviewed to determine if it will be presented bi-annually. Course review also includes discussions relative to student training.
- Distribute weekly campus safety message for students and employees via e-mail and text. Topics may include weather warnings, security awareness alerts, and crime prevention tips relevant to the campus community.

Contact the Lead Safety Officer for further information regarding security awareness and crime prevention education. Call (620) 792-9217.

XI. MONITORING OFF-CAMPUS ACTIVITIES

Barton Community College does not have any off-campus student organizations, although the Barton Campus Safety Office does monitor property that is leased, rented or otherwise under the control of the College.

In addition, when a Barton student is involved in an off-campus offense, Barton Campus Safety officers may assist with the investigation, in cooperation with local, state, or federal law enforcement.

XII. DRUG AND ALCOHOL POLICY STATEMENTS

The College is committed to protecting the safety, health and wellbeing of all employees, students and visitors in the educational and work environment. We recognize that alcohol abuse and drug use pose a significant threat to our goals. Therefore, we have established a drug-free program that balances our respect for individuals with the need to maintain an alcohol and drug-free environment. The Barton Drug Free Environment Policy applies to students, employees,
and visitors. The following policy statements are published on the College website as well as in the Student Housing Handbook.

**Drug-Free Schools and Communities Act**
Barton Community College supports and endorses the Federal Drug-Free Workplace Act of 1988 (Public Law 100-690, Sec. 5151 et. seq.) and the Drug-Free Schools and Communities Act amendments of 1989 (Public Law 101-226). Pursuant to these Acts, the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or abuse of alcohol (as defined in these Acts) by a student on college property or as part of any College activity is prohibited.

Under Public Law 100-226, the College will distribute to all students, in the Student Handbook, a statement of compliance in accordance with the applicable provisions of the law. The College will conduct a biennial review of this procedure as required by the Drug-Free Schools and Communities Act of 1989. A student who violates this policy shall be subject to appropriate disciplinary action including suspension, demotion, non-renewal and/or termination as provided in the **Student Code of Conduct Policy**.

Students receiving athletic scholarships or performance awards shall be subject to random drug testing in order to assure compliance with the Drug-Free Workplace Act of 1988 and the Federal Drug-Free Schools and Communities Act of 1989 as referenced in this policy.

A student who violates this policy shall be subject to appropriate disciplinary action including suspension, demotion, non-renewal and/or termination as provided in the **Student Code of Conduct Policy**.

Consistent with its educational mission, the College also assists its members in finding alternatives to alcoholic beverage and drug abuse and provides services and resources for college members who experience alcohol or drug related difficulties. For more information contact the Dean of Student Services at ext. 226 or in L-137.

**Kansas Statutes Regarding Alcohol, Drugs, and Tobacco**
The following are violations of Kansas Statutes (as well as Barton Community College conduct standards) and may result in disciplinary action up to an including reporting to local law enforcement and dismissal from Student Housing and the College:

**Possession, Use, and Sale of Alcoholic Beverages**
Barton Community College seeks to encourage an academic environment that maintains and promotes the health, safety and welfare of all members of this campus. In keeping with those objectives, the College has established policies and guidelines governing the possession, sale and consumption of alcoholic beverages on the campus: Drug-Free Schools and Communities Act Policy.

Possession or consumption of alcoholic beverages is not permitted on property owned or controlled by Barton Community College. Also, intentionally or knowingly selling, or intentionally or knowingly furnishing alcoholic beverages to persons under the age of 21 years, is a violation of College rules and laws of the State of Kansas under K.S.A 41-727 and K.S.A. 21-5607.
Likewise, the possession or consumption of alcohol by any person on the College’s campuses except as allowed for special events, is prohibited regardless of age.

**Illegal Drugs**
Barton Community College does not condone the possession, sale, distribution or use of illegal drugs or other hallucinogens on the campus. Anyone known to be possessing, using, selling or distributing such drugs is subject to disciplinary action as well as arrest and fine or imprisonment according to State Statute K.S.A. 21-5706. Additionally, Barton considers items such as hookah as drug paraphernalia.

**Smoking**
In accordance with KSA Bill No. 21-4010, smoking is prohibited in all College buildings. Tobacco is defined as all tobacco-derived or containing products, including, but not limited to, cigarettes (clove, bidis, kretexks), electronic cigarettes (vaping), cigars and cigarillos, hookah-smoked products, and oral tobacco (spit and spitless, smokeless, chew, snuff). Barton prohibits the use of all forms of tobacco in College buildings including gyms and sports arenas.

Tobacco use is allowed at least twenty (20) feet from any building entrance. The Tobacco Free Campus Policy, effective spring 1994, states that no tobacco products (including smokeless tobacco) are allowed in any College building.

**POLICY 1126 - DRUG FREE ENVIRONMENT**

The College is committed to protecting the safety, health and wellbeing of all employees, students and visitors in the educational and work environment. We recognize that alcohol abuse and drug use pose a significant threat to our goals. Therefore, we have established a drug-free program that balances our respect for individuals with the need to maintain an alcohol and drug-free environment.

**Prohibited Behavior**
In compliance with the Federal Drug Free Workplace Act of 1988 (Public Law 100-690) and the Drug Free Schools and Communities Act of 1989 (Public Law 101-226), the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or abuse of alcohol (as defined in these Acts) by a student, employee or visitor on college property and/or at a college event or activity is prohibited unless its use is in accordance with Policy 1220-Service of Alcoholic Beverages for Special Events.

**Health Risks**
The consumption of alcohol and drugs of any level may have serious risks, such as altered mood (anxiety, apathy, paranoia, psychosis); altered behavior (impaired coordination); sleep disorders, addiction, altered breathing and heart rate; communication of infectious disease; distorted senses; unconsciousness leading to coma; and permanent damage to the liver, heart and central nervous system leading to death. For more information, consult your physician, or your local or College library.

**Assistance**
The College recognizes that alcohol and drug abuse and addiction are treatable illnesses. We also realize that early intervention and support improve the success of rehabilitation. To support our employees and students, our drug-free policy:
• Encourages employees and students to utilize the services of qualified professionals in the community to assess the seriousness of suspected drug or alcohol problems and identify appropriate sources of help.

• Allows employees the use of eligible accrued leave while seeking treatment for alcohol and other drug problems.

• Treatment for alcoholism and/or other drug use disorders may be covered under employee and student health plans. However, the ultimate financial responsibility for recommended treatment belongs to the employee or student.

Confidentiality
All information received by the College through the drug-free program is confidential communication. Access to this information is limited to those who have a legitimate need to know in compliance with relevant laws and College policies.

Attendance/Employment Conditions/Legal Sanctions
Students, employees, and visitors must abide by the terms of this policy or be subject to disciplinary action up to and including expulsion, termination of employment or other legal sanctions as may be provided in the Student Code of Conduct Procedure, the Employee Conduct and Discipline procedure, and/or through criminal prosecution.

• Students receiving performance awards or athletic scholarships shall be subject to random drug testing in order to assure compliance with these Acts and College policy.

• The College reserves the right to test employees for a controlled substance or abuse of alcohol with reasonable suspicion of cause to assure compliance with these Acts and College policy.

• Employees must notify the College of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. Such notice shall be provided in writing by the employee to the Director of Human Resources.

PROCEDURE 2612 – Substance Abuse and Drug Testing Program (Students)

To read the entire procedure, please click here.

Barton County Community College strongly believes that the use and abuse of illegal and/or banned drugs:

A. Is detrimental to the physical and psychological health of students;
B. Interferes negatively with the academic performance of students;
C. Is dangerous to the life and health of the student and potentially his/her classmates/teammates during performance, competition and practice; and
D. Compromises the integrity and spirit of extra-curricular activity performance and intercollegiate athletics competition.

Thus, Barton has made it a policy that the use and abuse of illegal and/or banned drugs will not be tolerated for students. For those students who receive a performance award from the Institution, the College will conduct a “zero-tolerance program” including testing and sanctions. While there is no intent to intrude upon the private life of the student, the College is interested in the well-being of its students who perform and represent the Institution. Barton recognizes the addictive results of illicit drug use and, as provided in this policy, will encourage treatment and rehabilitation for any student involved in the drug-testing program.

XIII. SEXUAL ASSAULT PREVENTION AND RESPONSE

POLICY 1132 – Civil Rights Equity Resolution for all Students, Employees, Guests, and Visitors

To read the entire policy, please click here.

Barton Community College affirms its commitment to promoting the goals of fairness and equity in all aspects of the educational enterprise. All policies below are subject to resolution using the College’s Equity Grievance Process, as detailed below. The Equity Grievance Process is applicable regardless of the status of the parties involved, who may be members or non-members of the campus community, students, student organizations, faculty, administrators and/or staff. The College reserves the right to act on incidents occurring on-campus or off-campus when the off-campus conduct could have an on-campus impact or impact on the educational mission of the College. The College will distribute/post this policy annually to campus, prospective students, their parents, and prospective employees.

Stephanie Joiner serves as the Title IX Coordinator and oversees implementation of the College’s policy on equal opportunity, harassment, and nondiscrimination. Reports of discrimination, harassment and/or retaliation should be made to the Title IX Coordinator or deputy/deputies, promptly at (620) 792-9238. However, there is no time limitation for the filing of complaints, as long as the accused individual remains subject to the College’s jurisdiction. The College acts promptly on all reports, and every effort is made to preserve the privacy of reports.
Anonymous reports may also be filed online, using the reporting form posted at [http://bartonccc.edu/campussafety/file-a-report](http://bartonccc.edu/campussafety/file-a-report). Reporting is addressed more specifically on page 14, Section 8, Confidentiality and Reporting of Offenses under this Policy. Reports of discrimination by the Title IX Coordinator should be reported to the College President, 620-792-9301.

This policy applies to behaviors that take place on the campus, at College-sponsored events and may also apply off-campus and to actions online when the Title IX Coordinator determines that the off-campus conduct affects a substantial College interest. A substantial College interest is defined to include:

- Any action that constitutes criminal offense as defined by federal of Kansas state law. These offenses include but are not limited to, single or repeat violations of any local, state, or federal law committed in the municipality where the College is located;
- Any situation where it appears that the accused individual may present a danger or threat to the health or safety of self or others;
- Any situation that significantly impinges upon the rights, property, or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
- Any situation that is detrimental to the educational interests of the College.

Any online postings or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc. occurring completely outside of the College’s control (e.g. not on Barton Community College networks, websites or between college email accounts) will only be subject to this policy when those online behaviors can be shown to cause a substantial on-campus disruption. Otherwise, such communications are considered speech protected by the 1st Amendment.

Off-campus discriminatory or harassing speech by employees may be regulated by the College when such speech impacts an employee’s official or work-related capacity outside of work.

**Sexual Harassment**

Both the Equal Employment Opportunity Commission and the State of Kansas regard sexual harassment as a form of sex/gender discrimination and, therefore, as an unlawful discriminatory practice. Barton Community College has adopted the following definition of sexual harassment, in order to address the special environment of an academic community, which consists not only of employer and employees, but of students, guests, and visitors as well.¹

Sexual harassment is:

- unwelcome, sexual or gender-based verbal, written, online and/or physical conduct.³
  Anyone experiencing sexual harassment in any Barton program is encouraged to report it immediately to the College’s Title IX Coordinator.

Sexual harassment creates a hostile environment, and may be disciplined when it is:

- sufficiently severe, persistent/pervasive and objectively offensive that it,

- based on power differentials (quid pro quo), the creation of a hostile environment or retaliation.

XIV. PROGRAM TO PREVENT DATING VIOLENCE, DOMESTIC VIOLENCE, SEXUAL ASSAULT, AND STALKING

The Sexual Misconduct and Assault Resource Team (SMART) is comprised of Barton’s Title IX Coordinator and Deputy Coordinators, individuals representing faculty, Campus Safety, counseling services, health services, administration, athletics, local crisis center advocates, and others as appropriate and necessary. SMART meets regularly to address policy, programming, training, and other responsibilities related to ensuring compliance with Civil Rights Equity requirements including Title IX. Several times a year, SMART includes additional representatives from the campus and/or wider community, including students, to provide valuable perspective and feedback related to the team’s efforts.

While the SMART recognizes that prevention efforts in regards to dating violence, domestic violence, sexual assault, and stalking cannot successfully eliminate these actions of misconduct, the SMART works with the Title IX Coordinator to create a campus climate that does not tolerate actions of misconduct by evaluating its policies and procedures to address violations, provide adequate support for victims, and manage awareness and prevention education to create a culture of respect for all members of the campus community. With this in mind, the SMART organizes a multi-modal approach including:

- Student presentations regarding resources and affirmative consent at the beginning of the academic year during orientation and housing meetings.
- Online training courses that include the topics of risk behavior reduction, bystander intervention, as well as reporting options and resources that is presented annually assigned to students and employees.
- The organization of community presentations, guest speakers, and film screenings on the topics of bystander intervention, date-rape, digital dangers, Title IX, and gender relations.
- Small-group chats for students and employees to discuss campus policies and procedures, consent, and resources.
- On-site advocacy services from Family Crisis Center for confidential victim services.
- Annual off-site training for multiple employees through non-profit organizations such as Jana’s Campaign, and industry leaders ATIXA.

XV. VICTIMS OF CRIMES OF VIOLENCE

Barton Community College will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for the purposes of this paragraph.
XVI. WORKING RELATIONSHIP WITH LOCAL AND STATE LAW ENFORCEMENT

The Barton Campus Safety Office maintains a highly professional working relationship with the Great Bend Police Department, Barton County Sheriff’s Office, Kansas Department of Public Safety, and the Kansas Bureau of Investigation, and similar local law enforcement agencies for all other Barton sites.

The Campus Safety Office works closely with agencies when incidents arise that require joint investigative efforts, resources, crime related reports and exchange of information, as deemed necessary. These working relationships have no written agreement, but are maintained through periodic communications among agency administrators and frequent contacts between officers and investigators cooperating on specific cases.

All crime victims and witnesses are encouraged to immediately report the crime to Barton Campus Safety or the appropriate law enforcement agency.

XVII. MONITORING AND RECORDING OFF-CAMPUS CRIMINAL ACTIVITIES

The College does not have any officially recognized student organizations with non-campus locations. However, Campus Safety Officers do monitor any non-campus property that is leased, rented or otherwise under the control of Barton Community College.

When a Barton student is involved in a non-campus offense, Barton Campus Safety officers may assist with the investigation, in cooperation with local, state, or federal law enforcement when requested.

XVIII. SEX OFFENDER REGISTRATION

In accordance with the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, Adam Walsh Child Protection and Safety Act of 2006, and the Family Educational Rights and Privacy Act of 1974, institutions of higher education are required to issue a statement advising the campus community where information about registered sex offenders may be obtained. This act requires registered sex offenders to provide notice to each institution of higher education at which the person is employed, carries a vocation, or is a student.

Due to the Kansas Supreme Court’s decision in State v. Myers, 260 Kan. 669 (1996), the Kansas Offender Registration, enacted by K.S.A. 22-4901 et seq., contains information only on convicted offenders who committed their offenses after April 14, 1994. The information contained in the registration has been provided by the registrant. The Kansas Bureau of Investigation (KBI) and the sheriff’s office cannot guarantee the accuracy of this information. It is common for offenders to move and fail to notify the sheriff’s office in their county of residence of that change. This information is updated continuously; however, the KBI cannot guarantee the accuracy day to day. Further information on any registered offender in this file can be obtained from the sheriff’s office in the registrant’s county of residence or on the state website @ www.accesskansas.org/kbi/ro.htm.

The State of Kansas maintains a system for making certain registry information on sex offenders is publicly available by means of the Internet. The website address for this information is: http://www.kansas.gov/kbi/ro.shtml
Any offender who is required to register under this statute is similarly required to register with Barton Community College. A student or Voluntary must register with Barton Community College’s Campus Safety Office prior to the first day of class attendance or prior to the first day of Voluntarying. An employee must register with Barton Community College Human Resources upon conviction. The college reserves the right to limit enrollment or other participation in activities or services of students who are registered offenders. Students or Voluntarys who fail to comply are subject to immediate cancellation of enrollment or cessation of Voluntary status. Employees who fail to comply may be subject to dismissal.

XX. MISSING STUDENT NOTIFICATION

If a member of the college community has reason to believe that a student who resides in on-campus student housing is missing, he or she should immediately notify the Barton Campus Safety at 620-792-0217. Campus Safety will generate a missing person report, investigate, enter relevant student data into an appropriate database and involve other law enforcement agencies as necessary. A student shall be considered missing when he or she has not been seen in 24 hours and whose whereabouts are unknown.

Should Campus Safety confirm that the student is missing, the College will notify the student’s missing person emergency contact no later than 24 hours after the student is determined to be missing. If the missing student is under 18 years of age and is not an emancipated individual, Campus Safety is required to notify the student’s parent or legal guardian and any other designated contact person within 24 hours. Definitions for Use in Classifying Crime Reports

The statistics on the following pages are published in accordance with the standards and guidelines used by the Federal Bureau of Investigation Uniform Crime Reporting Handbook and the Clery Act. The College classifies and discloses Criminal Offense, Hate Crime, arrest and disciplinary referral statistics based on definitions provided by the Federal Bureau of Investigation’s (FBI’s) Uniform Crime Reporting (UCR) Program. For the categories of Domestic Violence, Dating Violence, and Stalking, the Clery Act specifies that the college must use the definitions provided by the Violence Against Women Act of 1994.

Criminal Offense Definitions

Murder and Non-Negligent Manslaughter - the willful (non-negligent) killing of one human being by another.

Negligent Manslaughter - the killing of another person through gross negligence.

Sexual Assault (Sex Offenses) - any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent. There are four types of sex offenses:

- **Rape** is the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.
- **Fondling** is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- **Incest** is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- **Statutory Rape** is sexual intercourse with a person who is under the statutory age of consent. (Note: If force is used or threatened, or the victim was incapable of giving consent because of his/her age or temporary or permanent or mental impairment, the offense is Rape, not Statutory Rape).

Robbery - is the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault - an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary - the unlawful entry of a structure to commit a felony or a theft. (Note: The UCR classifies offenses locally known as Burglary (any degree); unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts at these offenses as Burglary).

Motor Vehicle Theft - the theft or attempted theft of a motor vehicle. (Note: theft from a motor vehicle is Larceny, which is not a Clery Act crime.)
Arson - any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Hate Crime Offense Definitions

Hate Crimes - is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Any of the aforementioned offenses, vandalism, larceny and any other crime involving bodily injury reported to local Security agencies or to a Campus Safety Authority are counted as hate crimes.

Although there are many possible categories of bias, only the following eight categories are reported under the Clery Act:

- **Race.** A preformed negative attitude toward a group of persons who possess common physical characteristics (e.g., color of skin, eyes, and/or hair; facial features, etc.) genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind (e.g., Asians, blacks or African Americans, whites).

- **Religion.** A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being (e.g., Catholics, Jews, Protestants, atheists).

- **Sexual orientation.** A preformed negative opinion or attitude toward a group of persons based on their sexual attraction toward, and responsiveness to, members of their own sex or members of the opposite sex (e.g., gays, lesbians, heterosexuals).

- **Gender.** A preformed negative opinion or attitude toward a group of persons because those persons are male or female. Gender bias is also a Clery Act specific term, not found in the FBI's Hate Crime Data Collection Guidelines.

- **Ethnicity.** A preformed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. (Note: the concept of ethnicity differs from the closely related term of “race” in that “race” refers to a grouping based mostly upon biological criteria, while “ethnicity” also encompasses additional cultural factors.)

- **National Origin.** A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth.

- **Disability.** A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age or illness.

In addition to the Hate Crime offenses defined, the four additional categories of offenses are reported as Clery Act offenses if (and only if) they are Hate Crimes.

- **Larceny-Theft** – the unlawful taking, carrying, leading or riding away of property from the possession or constructive possession of another. Constructive possession is the
condition in which a person does not have physical custody or possession but is in a position to exercise dominion of control over a thing.

- **Simple Assault** – an unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

- **Intimidation** – to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

- **Destruction/Damage/Vandalism of Property** – to willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it. reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and (2) Any building or property that is within or reasonably contiguous to the area identified in paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

**VAWA Offense Definitions**

- **Dating Violence** – violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with the consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. It does not include acts covered under the definition of domestic violence.

- **Domestic Violence** – a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person whom the victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

- **Stalking** – engaging in a course of conduct directed a specific person that would cause a reasonable person to fear for the person’s safety or the safety of others; or suffer substantial emotional distress.
  
  - **Course of conduct** - two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
  
  - **Reasonable person** - a reasonable person under similar circumstances and with similar identities to the victim.

- **Weapons: Carrying, Possessing, Etc.** - the violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature.

- **Drug Abuse Violations** - the violation of laws prohibiting the production, distribution and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use; the unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating to unlawful possession, sale, use, growing, manufacturing and making of narcotic drugs.

- **Liquor Law Violations** - the violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness.

**Student Right-to-Know and Campus Safety Act**

ANNUAL FIRE SAFETY REPORT

BARTON COMMUNITY COLLEGE

STUDENT HOUSING
FIRE SAFETY REPORT

The Higher Education Opportunity Act of 2008 requires academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire-related on-campus housing statistics. The Facility Management and Campus Safety Office (FMCSO) oversees the fire safety coordination for the Barton Community College, Great Bend campus. The Coordinator, working in collaboration with the Kansas Office of the State Fire Marshall performs inspections, pre-operational reviews, fire hazard analysis, fire extinguisher and fire evacuation training programs. These actions are designed to meet or exceed local, state, and national codes. The Coordinator also performs all required fire drills on the Great Bend Campus, performs periodic building inspections, provides oversight and training for Campus Safety Officers who are responsible for reporting fires, and maintains all statistical data required by the Department of Education.

**Student Residence Hall Fire Safety and Sprinkler System**
Bluestem and Cottonwood Halls are protected throughout the facilities with integrated automatic
sprinkler and fire alarm systems. These systems are monitored by the central station in each
facility and are tied to an automated dialer to contact Campus Safety and 911 in the event of an
emergency.

Meadowlark and Sunflower Halls are single-story units equipped with smoke detectors in each
room. Fire extinguishers are strategically located throughout the student housing facilities.

There are no immediate plans for system upgrades; however systems are regularly reviewed.

**Fire Extinguishers**
Fire extinguishers are located on the main floor in Bluestem, Meadowlark, and Sunflower Halls
and on each floor of Cottonwood Hall. Fire extinguishers should be used for their intended
purpose only and should not be removed from their designated location. Fire extinguishers
should only be used after the fire has been reported. Only try to control a small fire, if you can
do so safely.

**Fire Safety Inspections**
Fire safety inspections are performed no less than four times a year. Inspections may be
conducted at any time at the discretion of the Housing Coordinator or his/her designee.

2. STUDENT HOUSING FIRE DRILLS

**Fire Drills**
The Coordinator of Facility Management and Campus Safety along with the Housing Coordinator (or their
respective designees) conduct an annual on-campus student housing fire drill. Documentation including the
date, building, time needed to evacuate the building, and comments is maintained in the Facility
Management Office.

3. If your door is not hot, leave the room, close and lock the door and get out of the unit.
4. Proceed to the designated fire exit.
5. Move a safe distance (at least 100 ft.) Do not block emergency equipment or responders.
6. Do not return for personal belongings.

### 5. FIRE SAFETY EDUCATION AND TRAINING

Fire safety education and training for on campus fire safety is provided on an annual basis incorporating outreach materials from the U.S. Fire Administration. The curriculum is used to provide fire safety instruction for students, their parents, and campus housing administrators and staff.

**Outcomes as an anticipated result of training:**
- Recite the appropriate actions to take were a fire to occur at a given location. Responses to assure staff is aware the fire must be reported either by pulling the fire alarm or by using the phone.
- Indicate doors to be closed to prevent the spread of fire beyond the initial location.
- Demonstrate the use of a fire extinguisher should fire be small enough.
• Identify appropriate escape routes (depending on fire location) and knowing the rendezvous location to meet up with other staff members.

Fire Training Policy
Campus Safety, in collaboration with Student Housing, presents the fire safety program at the first residence hall meeting each year. Additional information and reminders on the fire safety zones and evacuation procedures is provided to all students, faculty, and staff prior to the annual fire drill.

6. REPORTING FIRES (AFTER THE FACT)

Reporting Fires

7. PLAN FOR FUTURE IMPROVEMENTS IN FIRE SAFETY

There are no immediate plans for system upgrades; however, systems are regularly reviewed.

8. FIRE SAFETY STATISTICS

Fire Safety Log
The Campus Safety Department maintains a log of all fire events that occur in the on-campus student housing facilities. The online Fire Safety Log is open for inspection to the public and includes the location, date and time of the event, date and method of report, cause of fire, injuries, deaths, and value of property damaged. In addition, the report documents whether the fire was a Clery Reportable event. The Log can be reviewed upon request by contacting Campus Safety at 620.792.9217.

Required Reportable Safety Data
In compliance with the U.S. Department of Education’s required Annual Fire Safety Report, this report includes the following information.

• Number of fires in on-campus housing facilities.
• Cause of fire.
• Number of fire related injuries that resulted in treatment at a medical facility.
• Number of fire related deaths.
• Value of property damage as a result of the fire.
• Description of each on-campus housing facility fire safety system(s).
• Number of regular mandatory supervised fire drills.

Cause of Fire: The factor or factors that give rise to a fire. The casual factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure, or act of nature.

Fire Drill: A supervised practice of a mandatory evacuation of a building for a fire.

This may include extinguishing systems; fire detection devices; stand-alone smoke alarms; devices that alert the presence of a fire such as horns, bells, or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.

Value of Property Damage: The estimated value of the loss of the structure and contents, in terms of the cost of replacement in like kind and quality. This estimate should include contents damaged by fire and related damages caused by smoke, water and overhaul; however, it does not include indirect loss, such as business interruption.

The HEA fire safety regulations apply only to institutions with on-campus student housing facilities and focus exclusively on those facilities. The Great Bend campus is the only location with on-campus housing. The statistics below reflect data for the five facilities.
