Co-Curricular Assessment Process Template – *one-page snapshot*

General Description – should match stated description found at: http://bartonccc.edu/studentlife/clubs, *if listed.*

List the outcomes, at least one should be a student learning goal (again, it should match those found on the above website).

Include a relevant graphic such as a picture of the group or people involved

Expected Outcomes (list as needed):

1. Goal 1 [Supported CORE; END]
2. Goal 2 [Supported CORE; END]
3. ...

Description – give a general description of the assessment process. Complete the process map on the right to match the general description.

Assessment data – give longitudinal data tied to the expected outcomes upon which adjustments/improvements have been based. Data is preferred but on a case-by-case basis can be optional.

Data Descriptor	2015	2016	...
Indicator 1	#, %, ...	#, %, ...	#, %, ...
Indicator 2	#, %, ...	#, %, ...	#, %, ...
...	#, %, ...	#, %, ...	#, %, ...

Give a "laundry list" of improvements made based on the assessment data.

Improvements *(list as needed or provide a narrative)*:
1. Improvement 1
2. Improvement 2
3. ...
