Office of Origin: Vice President of Instruction - Technical Education and Military Outreach Training

OSHA, HazMat & Emergency Management

[Emergency Management/Homeland Security](#) (By clicking this link, you will be redirected to Barton's Grandview Plaza website)

This program is designed to provide training and formal education for those entering the emergency management field as well as those currently in the field who require additional training and education. A large percentage of these professionals serve as part time emergency managers with their full-time position being law enforcement (city, county or state), emergency medical services, or of these professionals lack formal education and training in this field. A student may receive credit for work experience, military experience, military schools and civilian education.
