### Welcome!

Dear Community Member,

The Mission of Barton Community College is to offer exceptional and affordable learning opportunities supporting student, community, and employee needs.

As your elected officials, the Board of Trustees represents the ownership of the organization and is responsible to all stakeholders. To this end, the Board of Trustees is committed to achieving the mission of this College.

Barton's services are predicated on opportunity, access, responsiveness, affordability, and quality. We are privileged to provide education to students according to our service principles. As a member of the College community, you support college services and provide an important partnership in helping these students attain their educational and career goals.

Thank you for your continued support.
