Course Search

[Click here for the NEW Course Search!](#)

To use the older version below, use the arrow icon in the bottom right corner to expand to full screen. This page will be updated with the new course search linked above next semester. For now, you can use whichever you prefer.

Syllabus Search

Barton uses the Concourse syllabus management system to update, store, and display course syllabi. To [find a syllabus](#) for a particular course quickly use the +Advanced Search feature to filter to narrow down the course, semester, and instructor.

Online Opportunities

Barton online classes are available on the following websites. When you find the classes you want, you will enroll on the website where you found the classes. Learn more about [online opportunities and programs](#).

Barton Online

In order to view the documents in this site, you will need to have Adobe Reader installed on your computer. If you do not have Adobe Reader, click on the icon below to take you to the Adobe web site. Follow the directions to download the file and complete the installation. Bookmark this page on our site, so you can return to it after you install Reader.
