ACADEMIC INTEGRITY (AI) QUALITY INITIATIVE

2018

IMPLEMENTATION OF THE ACADEMIC INTEGRITY COUNCIL

The Academic Integrity Council is approved by the President as an institutional team and a charter is established.

ICAI INSTITUTIONAL MEMBERSHIP

Barton becomes a member of the International Center of Academic Integrity (ICAI) to promote professional development.

PROCEDURE #2502 UPDATE & REVIEW

The update and restructure of the academic integrity policy and procedure begins and a sub-team is identified to begin the review. An annual review is established.

"DAY OF ACTION AGAINST CONTRACT CHEATING"

Barton participates in the International Day Against Contract Cheating.

2019

NEW POSITION - DIRECTOR OF INNOVATION & COMPLIANCE

Director was added to the AI Council, later added to the procedure sub-team, and would serve as the primary AI investigator for capital violations.

ICAI 2019 CONFERENCE

Four AI Council members attended the international conference to identify trends, bring back new ideas, and clarify best practices. Conference participation is a general yearly practice.

AI VISUAL GRAPHICS

For more visibility, clarity of process, awareness, and marketing visual graphics were created including the AI flowchart and logo.

ACADEMIC INTEGRITY AWARENESS

Sub-team proposed shift to academic integrity (positive reinforcement) rather than just contract cheating and the consequences (negative reinforcement).

2021

AI VISUAL GRAPHICS EXPANDED

AI visual resources were expanded and include an AI website development project, a Faculty Best Practices resource, and an updated Interactive Integrity Wheel to reflect and promote a culture of integrity beyond academics.

AI PROCESS FACULTY PROFESSIONAL DEVELOPMENT

Presentations/recordings were provided to inform and educate faculty on the new academic integrity violation process as well as provide student education and resources.
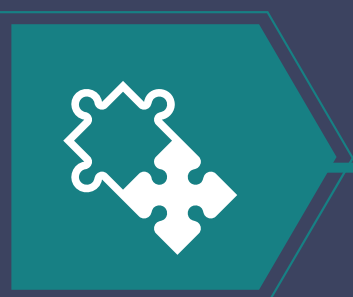

COURSE SYLLABUS AI STATEMENT

A academic integrity course syllabus statement was proposed and later approved by LICC.

STUDENT AI PRESENTATIONS

Student seminars, orientation (basic and departmental) presentations were provided to students to clarify type of cheating and provide tips and resources to help make a different decision.

AI CAMPAIGN EXPANSION

The "I Choose" AI Campaign was expanded into an academic fair, which opened engagement and participation to local K-12, college students, and faculty. AI student seminars were also provided.

2022

AI ORIENTATION FOR NEW FACULTY

Beginning the development of a new faculty bootcamp and adding an AI overview to the "Course Binder Project' as part of this solution.

UPDATED INVESTIGATION PROCESS

Through the investigation of new capital cases, additional information was learned and applied to improve the process and be data driven.
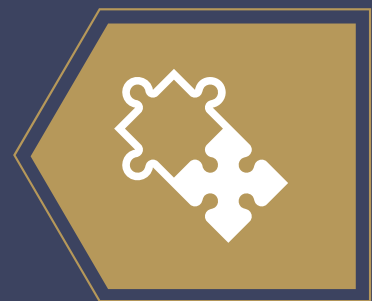

AI DATA REVIEW & TRENDS

With a growing collection of AI data and a new increase in AI violations, a review of AI data and an analysis to identify trends is currently in progress.

AI WEBSITE LAUNCH

The AI website will likely be launched in Fall 2022 and will provide information and resources to further build a culture of integrity.

2ND CLASS OF STUDENT AI AMBASSADORS 22-24

The second class of Student AI Ambassadors will be selected and this position will likely be expanded to include additional duties for the selected ambassadors.
