

The Kansas Board of Regents approved the Systemwide Transfer (SWT) courses listed below. Faculty representatives develop and update the learning outcomes for all the courses. A student who successfully completes any of these courses at a Kansas public university, community college, or technical college will be able to transfer the course to any Kansas public postsecondary institution offering an equivalent course.

**Additional courses may also be eligible for transfer. Please contact the Registrar's Office of your university or college for more information. Students are responsible for becoming acquainted with the program & degree requirements of the institution to which they expect to transfer.**
