Contacts:

- Barton Registrar

WES continues to receive academic documents from institutions around the globe, including 7,500 that now send us secure digital files. For updates, visit our [notifications page](#).

Credential Evaluations

WES evaluates academic credentials from more than 48,000 institutions in 203 countries and territories around the world. Our industry-standard reports are recognized by thousands of academic institutions, licensing bodies, and employers throughout the U.S. and Canada. Since 1974, we have provided more than three million people from around the world with top-quality credential evaluation services. Let us help you.

International Students, Immigrants, and Job Seekers

Showcase your educational accomplishments with a verified report that is both accepted and respected by licensing boards, academic institutions, and employers throughout the U.S. and Canada. Your future starts here.

Evaluations and Fees

Do you know what kind of credential evaluation you need? Learn about your options and preview the potential cost of your evaluation report.

Required Documents

What documents do you need to send WES? Enter information about your educational background to preview your list of required documents.

Degree Equivalency

This free tool lets you see what your credentials might be equivalent to in the U.S. Discover the value of applying for an official report from WES.

Digital Badges

A WES Digital Badge is a web-enabled version of your credential evaluation, which means that it can be verified online—instantly. This gives you maximum visibility and recognition.

WES iGPA Calculator®

See how your grades compare on the 4.0 grading scale used in the United States. Conversions are based on the most common grading scales for your country of education.

Career Pathways

WES Career Pathways e-guides provide guidance and resources to internationally trained immigrants and refugees seeking to use their education and credentials in the U.S.

For Refugees and Displaced Persons

WES strives to open pathways for individuals with international credentials. Individuals who have been displaced as a result of adverse circumstances in their country and have limited proof of academic achievements may be eligible for an alternative credential assessment through the WES Gateway Program.
