Academic Integrity

Initiative Overview

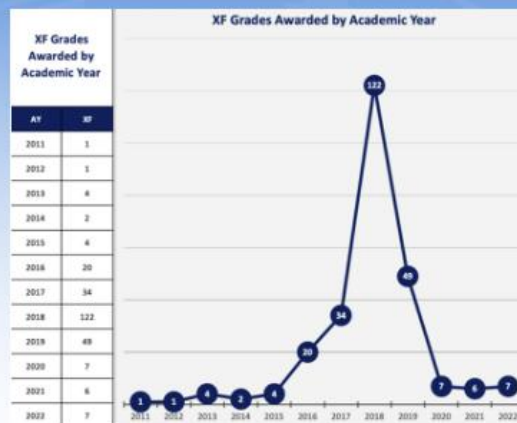

Where have we been?

Issue/Challenge:

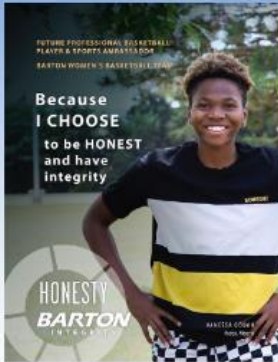

- With an academic integrity (AI) policy that dates back to 2002, we found ourselves under siege in 2018 with academic integrity violations.

New Focus:

- Policy & Procedure
- Professional Development (PD)
- Build a Culture of Integrity
- Collect Data & Student Success

Where are we now?

Policy & Procedure

- Academic Integrity Council
- Ongoing procedure review

Professional Development (PD)

- Procedural PD for faculty
- Awareness campaign
- Student presentations

Build a Culture of Integrity

- Student AI Ambassadors (Campaign)
- Integration across institution – visuals, orientations, & course syllabi

Collect Data & Measure Success

- Maxient Implementation

Where are we going?

Build a Culture of Integrity

- New Student AI Ambassadors – Adding to AI council & assisting with student education

Collect Data & Measure Success

- Collecting data and investigate AI with metrics for measurement

Professional Development (PD)

- Utilizing data, research, and peer ambassadors

Policy & Procedure

- Using data, trends, and research to further strengthen and clarify procedure and practices
