

## **SPECIAL BOARD MEETING**

As a result of the renovation bids that the College received, it has been necessary for additional options to be considered in order to lower the costs for this project. In order to allow time for additional considerations and prepare a recommendation for Board consideration, a special meeting will be required. It is recommended that the Board approve a special meeting to be scheduled for **7:00 a.m. on Tuesday, July 29, 2008** in **room A-113 of the Administration Building.**
