

# Business Management & Leadership Entrepreneurial Emphasis

**Are you PASSIONATE?**

**Want to start your own business?**

Barton's new certificate program with an emphasis in entrepreneurial studies is a great way to use your passion to start your own business, grow your existing business or become a more valuable employee. Learn what it takes to be resilient, fearless and decisive. Not a salesperson? No worries! Learn how to develop your "vision" so that others will be enchanted by your product or service. Learn how to see both the big picture and the zoom-in details of being entrepreneurial.
