Step-by-Step Guide to Completing the Paramedic Application Packet:

Step #1: If you are not already a Barton Student, complete the application form for Barton.

Step #2: Complete the Application Form for Barton’s Paramedic Program
   Must be handwritten; no typed applications allowed

Step #3: Remember to sign and date both application forms

Step #4: Complete the Student portion of the “Barton Allied Health Programs and Physical Form”

Step #5: Schedule a physical with your physician. Have the physician complete the appropriate section of the “Barton Allied Health Programs History and Physical Form”
   This can be done by a physician, PA, or Nurse Practitioner

Step #6: Request a copy of official transcripts from any and all education institutions and high schools you have attended. Have the college or high school send them directly to Barton’s enrollment services. DO NOT allow them to send the transcript to you. It will not be accepted if it comes from you.

Once you have requested the transcripts please email Karyl so she can alert the appropriate staff member to their arrival. If you receive an email asking about the transcripts please respond. The college will only hold them for six months. If they do not know you want them applied to a paramedic degree they will dispose of them. If that occurs, you will have to request and pay for new transcripts.

Step #6: You must have a minimum of:
   - English Comp I 3 credit hours
   - Interpersonal Communications 3 credit hours
   - Intermediate Algebra or higher 3 credit hours
   - Introduction to Sociology 3 credit hours

Step #7: Enclose a copy of your Kansas EMT, EMT-I, or AEMT certification card.

Step #8: Enclose a copy of your immunization records and proof of health insurance.
