Nursing Pre-Application Step-By-Step Guide Associate Degree Nursing (ADN) Program

bartonccc.edu/programs/nursing

Step #1 - Complete Barton's online Admissions Application

- If you already know your Barton ID#, you can skip this step.
 - If it has been longer than 6 months since your last class, you will need to reapply
 - Complete the Change of Major form if you have not declared Nursing as your major, your advisor can assist you with this.
- [Online Application](#)
- After submission, you will receive an email with acceptance and your Barton ID# from admissions within 24-48 hrs. This will go to the email you registered on the application.
- If you do not receive an email within that timeframe, you will need to contact admissions. admissions@bartonccc.edu or 620-792-9286.
- Once you select Nursing as your major on the admissions application, you will be assigned an advisor, please reach out to your assigned pre-nursing advisor. (This may take up to 2-3 business days)

Step #2 – Transcripts:

- Contact Pre-Nursing Advisor Wendy Miller
 - She will help evaluate college credits or advise into upcoming classes. millerw@bartonccc.edu or 620-792-9296
- You will need to have all college transcripts sent directly to Barton Enrollment Services. These need to be official transcripts or they will not be accepted. Once received and transferred in, we will review to let you know your status regarding pre-requisites.
 - **Official high school and college transcripts** must be mailed directly from the granting institution or sent by an electronic transcript service to Barton Community College or, hand delivered in a sealed envelope. The hand delivered transcript must be placed in the school letterhead envelope with the Registrar's signature or school stamp imprinted on the sealed back flap. Opening the envelope will render that transcript invalid. (No exceptions)
 - If you are currently or will be finishing any pre-requisites at an institution outside of Barton, please do not order your official transcript to be sent until after your final grade(s) have been posted to your transcript, to avoid having to pay for multiple transcripts.
 - If taking or have taken credits at Barton, you do not need to order an official transcript, as we already have access to that information.
- You will also need to have your official high school transcript sent in as well to the same below address.

Barton Community College
Attn: Enrollment Services
245 NE 30 Rd Great Bend, KS 67530

- Any course to be considered for acceptance must be completed by May 31. If you will not meet this deadline, you will need to request an extension with the Director of Nursing.
