

BARTON

NURSING

Dear Prospective Student,

Thank you for your interest in the Barton Practical Nursing Program. The purpose of this letter is to share information about the program and help you with the application process. Our website has valuable information including the step by step guide to applying for our program.

The Practical Nursing Program is a two semester program. Upon completion of the program our students will receive a certificate and are eligible to take the national licensure examination (NCLEX-PN) to become a Licensed Practical Nurse.

Please visit our website at: [Nursing Webpage](http://bartonccc.edu/programs/nursing) (bartonccc.edu/programs/nursing)

- Scroll down to the Practical Nursing (PN): 1st year tab.
- Find the Pre-Application step by step guide/checklist and begin completing the initial steps.
- To request an application, complete the PN application intent form and e-mail Carla Enstrom at enstromc@bartonccc.edu
- The Nursing Program Application is due January 31, 2022 along with 3 letters of recommendation.
- You can apply to the program while completing your pre-requisite courses, but course work must be completed by May 31st.
- Admission into the nursing program will be based on a selection process and those who are accepted will be notified by March 30, 2022.
- Completing our program does NOT guarantee licensure as the Kansas State Board of Nursing has stringent requirements. If you have a misdemeanor or felony conviction of a crime against a person, you may not be eligible. If you have questions about a conviction, please contact the Kansas State Board of Nursing Legal Department at 785-296-4929.

If you have questions or need additional information, please see the website, or contact the nursing office at (620) 792-9357.

We look forward to seeing you,

Renae Skelton, MSN, RN
