

CAREER TECHNICAL EDUCATION

Excel in CTE (SB155) OPPORTUNITIES

Kansas high school students can take these classes tuition-free!

Thanks to the Excel in CTE Initiative (SB155), Kansas high school students take specific career technical courses tuition-free. Courses on the Excel in CTE list are available to high school sophomores, juniors, and seniors at no cost except textbook and materials fees (if applicable).

The tuition-free list is set by the Kansas Board of Regents and is subject to change with little or no notice. Barton Community College does not decide which classes are tuition free.

Each Kansas college has a different list of approved classes, so please pay attention to what is covered at each separate college when enrolling.

The following career technical education courses, both online and on-site, qualify for funding. This means students can take advantage of classes with <u>NO TUITION CHARGED</u>.

Textbooks and materials costs may apply.

EXAMPLE: Certified Nurse Aide

NAID1229-Nursing Home Aide - 5 credit hours

- Non-High School Student Costs
 - \$590 (Tuition/Fees) + \$80 (Program Fees) + \$92 (CastleBranch background check) + \$102 (Approximate Textbook Cost)
- ➤ High School Student with SB#155 Support \$102 (Approximate Textbooks Cost)

A SAVINGS OF \$762!

To view and enroll in online courses, please visit bartonccc.edu/online

To view campus and Zoom schedules, please visit our Course Search.

To get started, complete the free <u>Admissions Application</u>.

For more information, contact Karly Little, Coordinator of Community Education at (620) 792-9294 or littlek@bartonccc.edu.
