## EARLY COLLEGE OPPORTUNITIES

### EXCEL IN CTE INITIATIVE (SB155) OPPORTUNITIES

#### *Changes Effective Fall 2026 Semester*

Kansas high school **juniors and seniors** can take specific career technical courses tuition-free. Students are responsible for textbooks and/or materials, if applicable.

As of the **Fall 2026 Semester**, these requirements apply for students to take these classes tuition-free:

- Must be a junior or senior enrolled in a Kansas high school
- Have a 2.0 or higher high school GPA and a transcript on file with the College
- Be on track to graduate from a Kansas high school

These details will be verified with the student's school officials. Students who do not meet the requirements, or cannot be verified, **can take classes but will be charged tuition and fees.**

**Choose a major when applying for admission or when discussing with Advisement. (We can help!)  
Your class must match/align with your major in order to get funding.**

The tuition-free list is set by the Kansas Board of Regents and is subject to change with little or no notice. Barton Community College does not decide which classes are tuition free.

Each Kansas college has a different list of approved classes, so please pay attention to what is covered at each separate college when enrolling. Some classes that were previously covered are no longer covered.

Excel in CTE eligible courses, both online and on-site, qualify for funding as long as students qualify (above) and choose the appropriate major to match the class.

Students who fail an Excel in CTE course cannot receive funding to retake the course. Students who fail two Excel in CTE courses cannot receive funding for any other Excel in CTE courses.

## START TODAY!

**Complete the free application at [apply.bartonccc.edu](https://apply.bartonccc.edu).**

**To view and enroll in online courses,** visit [online.bartonccc.edu](https://online.bartonccc.edu).

**To view campus schedules,** visit [bartonccc.edu](https://bartonccc.edu) and click View Classes.

**Declare a major,** either in your application, or by submitting a Change of Major form here:

**For more information, contact Karly Little, Director of Early College Opportunities  
at (620) 792-9294 or [littlek@bartonccc.edu](mailto:littlek@bartonccc.edu).**
