

Through the use of Open Educational Resources (OER) paired with the General Education Package provided by the Kansas Board of Regents (KBOR), students can complete the systemwide general education requirements of 34-35 credit hours that will transfer as a package to a Kansas transfer institution, unless an exception for a specific program has been approved by KBOR, and save money with the option to enroll in classes with course materials costing \$50 or less per course. For more information or to enroll, email advisement@bartonccc.edu or call (800) 748-7594 ext. 225.
