DLA Results	Jo Harrington	<ul style="list-style-type: none"> <li>DLEAP FA 09</li> <li>Course Assessment Questions</li> </ul>	<p>How complete is this data? Did we miss anyone? We will attempt to answer these questions by the next meeting. If individuals chose not to participate, since the data is gathered on a volunteer basis, there is not much we can do about it. However, if we did not get data because we, or the course coordinators forgot to ask, then this is a different problem.</p> <p>Can we generate a list of the instructors that we are asking for data from, to help prevent us from missing someone, and just not asking them for data?</p>
CATs	Jo Harrington	SW question	<p>Are we getting roll-up data from FA 09? In the BOL 101 course, but only given to those with instructor access. Ange will get this for us, as she has those privileges.</p> <p>Is the evaluation of student evaluations our responsibility? No. We helped with it once when they moved to using the SW, but we did not take the role from them.</p>
