Your application was selected for review in a process called "Verification." In this process, Barton will be comparing information from your application with signed copies of your and your parent(s)' 2011 Federal IRS tax return transcripts, or with other financial documents. When you and your parents signed the FAFSA application, you agreed to provide information that would verify the accuracy of the completed form, including the submission of U.S. tax returns or other documents confirming income information. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically.

Complete this verification form and submit to Barton's Financial Aid Office as soon as possible, so that your financial aid processing won't be delayed.

What You Need to Do Now:

- 1. Collect your and your parent(s)' financial documents (signed Federal income tax transcripts from the IRS, etc.).
- 2. Talk to your Financial Aid Officer if you have questions about completing this worksheet.
- 3. Complete and sign the worksheet—you and at least one parent.
- 4. Submit the completed worksheet, IRS tax transcripts, and any other documents requested.
- 5. Your Financial Aid Officer will compare information on this worksheet and any supporting documents with the information you submitted on your application.
