- Federal Pell Grant funds are calculated based on the student's current enrollment intensity.
- If a student adds courses within a semester that move the student into a higher enrollment intensity, then their Federal Pell Grant will be increased.
- If a student withdraws from courses at any point in the semester, then the student's Federal Pell Grant may be decreased and the student will be responsible for repaying a portion of their Federal Pell Grant.
- Your Student Aid Index (SAI) plus your credit hours will determine your Federal Pell Grant amount.
