How Can We Help You?

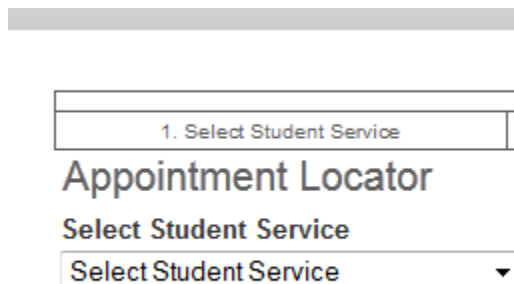

To better serve you, we are now using an online system for making phone call appointments with various college offices. To begin, select the button to the right. An additional window will open to the scheduling interface. When you schedule your first appointment using the online system, you will be required to set up an account by creating a username and password. **You may use this** username and password for checking appointment information and for making future appointments. The office in which you are scheduling the appointment will initiate a call to you at the appointment time. If you have trouble with the online system, please send an email to askbarton@bartonccc.edu.
