Barton's president, Dr. Carl Heilman, will retire this summer after completing 18 years as the College's fifth president. Dr. Marcus Garstecki has been selected to step into the role as president, effective July 1st. ^ Speaking of schedules, have you heard?! We altered the College Program (evening course) structure so that classes will no longer be cancelled as long as there are two or more enrollments for the class! While they are not scholarship funded, they are a low-cost option that give you freedom during the day, while only sacrificing a small amount of time in the evening once or twice a week. The cost of these classes is \$141 per credit hour (effective Fall 2024), but MOST books and materials are provided at NO-COST. Fall cycle schedules can be viewed on our website
