Office of Origin: Vice President of Instruction

Degrees & Programs

No matter what educational and career goals you have, Barton can help you to achieve them. Barton offers transfer programs designed to position you for a successful transfer to a four year college. Or, if you're looking for a faster track to employment, you may be interested in one of our many two year (or shorter!) career programs. Either way, Barton can help you drive your future.

Academic Programs and Career Programs

Workforce training or career programs are designed to provide specific career education that positions you for success in the workplace. Research indicates that many of these careers will experience tremendous growth in coming years, and that they offer the benefits of good salary and a good quality of life. Additionally, many of these programs can save you time and money by preparing you in a shorter amount of time to get a job and begin your career.
