What is the Living Benefits Option?

If you are diagnosed as terminally ill with a 24 month life expectancy, you may be eligible to receive payment of a portion of your life insurance. The remaining amount of your life insurance would be paid to your beneficiary when you die.

Important Details

As is standard with most term life insurance, this insurance coverage includes certain limitations and exclusions:

- the amount of your coverage may be reduced when you reach certain ages.

Other exclusions may apply depending upon your coverage. Once a group policy is issued to your employer, a certificate of insurance will be available to explain your coverage in detail.

This benefit highlights sheet is an overview of the insurance being offered and is provided for illustrative purposes only and is not a contract. It in no way changes or affects the policy as actually issued. Only the insurance policy issued to the policyholder (your employer) can fully describe all of the provisions, terms, conditions, limitations and exclusions of your insurance coverage. In the event of any difference between the benefit highlights sheet and the insurance policy, the terms of the insurance policy apply.
