

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-290-1368 or go to [www.benefitmanagementllc.com](http://www.benefitmanagementllc.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary](http://www.healthcare.gov/sbc-glossary) or call 1-800-290-1368 to request a copy.

Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>Per <a href="#">plan</a> year: <a href="#">Network</a> and <a href="#">non-network providers</a> \$700/individual, \$1,400/family.</p>	<p>Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes. <a href="#">Prescription drugs</a>, <a href="#">preventive care</a> and immunizations are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>There are no other specific <a href="#">deductibles</a>.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>Per <a href="#">plan</a> year: <a href="#">Network providers</a> \$1,700/individual, \$3,400/family; <a href="#">non-network</a> \$2,700/individual, \$5,400/family. <a href="#">Network</a> and <a href="#">non-network out-of-pocket limits</a> accumulate together.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><a href="#">Premiums</a>, <a href="#">prescription drugs</a>, <a href="#">balance-billing</a> charges, health care this <a href="#">plan</a> doesn't cover and penalties for failure to obtain <a href="#">pre-certification</a> for services.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes. In Kansas <a href="http://www.providrscare.net">www.providrscare.net</a> or call (800) 801-9772. Northeast Kansas &amp; Missouri-Freedom Network Select information available through <a href="http://www.providrscare.net">www.providrscare.net</a>. All other Employees: <a href="http://www.myfirsthealth.net">www.myfirsthealth.net</a> call (800) 226-5116. Refer to the member ID card for assigned <a href="#">network</a>.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use a <a href="#">non-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>). Be aware, your <a href="#">network provider</a> might use a <a href="#">non-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>
<p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>	<p>No. You don't need a referral to see a <a href="#">specialist</a>.</p>	<p>You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>.</p>

About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
