

Franklin University Faculty/Staff Reduction Program

Dear Community College Alliance Partner,

Franklin University is proud to announce our new Community College Alliance Faculty and Staff Tuition Reduction Program. The Program is designed to express Franklin's commitment to our community college partners, and our dedication to lifelong learning.

A reduction/discount of 15% will be applied to undergraduate tuition and 10% will be applied to graduate tuition for employees of our partner schools. The reduction benefit will be applied to Franklin University tuition only and does not cover books, supplemental materials, or costs incurred at other educational institutions.
