

1700 – Fairness in Women’s Sports Act

Interscholastic, intercollegiate, intramural or club athletic teams or sports that are sponsored by Barton County Community College shall be expressly designated as one of the following based on biological sex:

- (1) males, men or boys;
- (2) females, women or girls; or
- (3) coed or mixed.

Athletic teams or sports designated for females, women or girls shall not be open to students of the male sex.

Barton Community College shall use information collected when individuals apply for admission to the college to determine which team is appropriate for respective students. Should a dispute arise, colleges shall refer to the original birth or adoption certificate completed at or near the time of birth. If the original birth or adoption certificate is not available, documentation provided by a licensed physician indicating biological sex at birth may be utilized. If biological sex at birth is unable to be determined by the above means, the student shall be eligible to participate in male, men’s, boys, coed, or mixed athletic activities only.
