Assistant Dean of Student Services  
Barton Community College  
P.O. Box 2463  
217 Custer Avenue  
Ft. Riley, KS 66442

Dear Latisha:

Each year, Servicemembers Opportunity Colleges (SOC) Project Directors review the participation of individual colleges in the SOC Degree Network System (DNS) to determine how actively they are serving our military students. I am pleased to announce that Barton Community College fully met the requirements and standards of SOCAD membership during the past year and remains in good standing within the DNS.

Student Agreements, graduation reports, annual updates of SOC Degree Network System Handbook information, and responses to SOC DNS Course Category Code circulations are important measures of an institution's ability to sustain its membership in SOCAD. By meeting all of these membership requirements, Barton Community College has demonstrated an outstanding commitment to providing undergraduate education opportunities to servicemembers and their families.

Congratulations on a job well done!

Sincerely,

Alex McNamara  
SOCAD Project Director
