Ness City
Alexis Clarke

1st Round
14 points

2nd Round
10 points

3rd Round

Your ticket to an athletic event is a privilege. A privilege to watch students learn on the playing court. Unruly behavior is unacceptable in the classroom, and the sports arena is a classroom.

Good sportsmanship is a lesson to be learned by players and spectators. Remember, sportsmanship provides the human touch.

The Kansas State High School Activities Association and Barton Community College encourages you to make sportsmanship a primary concern as you support your chosen team.

GAME SCHEDULE

(Home team listed second)

Monday, Jan 27:

EI-Saline def Little River 53-38

Tuesday, Jan 28:

EI-Saline def Bennington 41-32

Central Plains def Ness City 91-51

Thursday, Jan 30:

Ness City def ACCA 59-9

Little River def Bennington 49-43

Central Plains def ACCA 73-8

Friday, Jan 31:

5:00pm (5th Place): ACCA vs Bennington

6:30pm (3rd Place): Ness City vs Little River

8:00pm (Championship): EI-Saline vs Central Plains

Thank you to all our referees for your time and dedication to the development of student athletes.

We can all contribute by showing sportsmanship on the court and in the bleachers by being courteous and respecting officials' decisions.

Referees are always in high demand, so if you think you want to continue in sports, refereeing is a great way to give back to your community.

A message from the Kansas State High School Activities Association, the Student Advisory Team, and Barton Community College.

BARTON Music

The Dorothy Moses Morrison Chapel provides an intimate setting for solo recitals or smaller chamber groups. This facility showcases stained glass windows donated by Dorothy Moses Morrison.

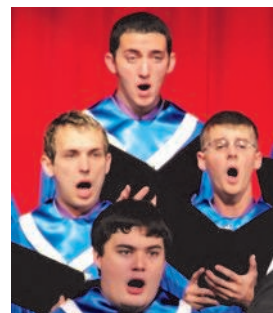

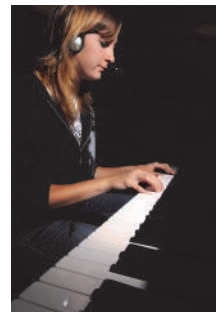

Equipped with an organ, upright piano and a Steinway grand piano, the Chapel is a favorite of many local artists for performances as well as college performers. The Chapel also doubles as the choral rehearsal room.

The Barton Fine Arts Auditorium seats 840 patrons and will undergo a complete renovation in the summer of 2013. Concerts, lectures, ballets, musicals, award ceremonies, etc. are typical uses for this hall. Fine sound, lighting, and video recording systems enhance the functionality of this Fine Arts building centerpiece.

The Barton Music MIDI (Musical Instrument Digital Interface) Lab is a seven station computer lab. Each station is equipped with a computer and synthesizer. Sequencing, ear-training, music theory and music notation software is available on each computer.

The MIDI Lab is for Barton students' use requiring the unique capabilities of this type of lab.

Lessons

Education

Performance

The Department of Music at Barton Community College awards the Associate of Arts degree which readily transfers to any state or private school in Kansas. This program includes the first and second year music courses for music majors, as well as general education requirements for all students.

These course offerings have a commitment to giving you the best possible preparation for continued study. Applied lessons are available for you in voice and all instrument and keyboard areas. Scholarships are available for full time music majors and non-majors participating in performance ensembles.

A variety of instrumental and vocal music groups, tours, music classes, solo performance, improvisation and private study are part of the music program at Barton.

Our emphasis is on both education and performing. You'll find unlimited opportunities to develop your musical abilities with a dedicated, professional, and caring faculty.

PERFORM WITH US!

The Music Department offers a variety of opportunities for various performances both as individuals and in ensembles.

In addition to the on campus concerts and recitals you may participate in the Prairie Winds Band, the Central Kansas Community Choir and the college/community Broadway Musical produced with the Theatre Department.
