The Barton Bound Scholarship would be targeted to students graduating from high school in the May (for fall awarding) and December (for spring awarding). The award would be automatic upon completion of an Admissions Application and based upon either their high school GPA or ACT score whichever would provide the higher award. The scholarship would be automatically renewed annually based upon the spring Barton GPA. The student must be enrolled full-time (12+ hours). The student does not have to be seeking a degree or certificate at Barton but must be a Kansas resident. The Barton Bound will be for a flat amount except for the Elite tier which will be tuition & books and awarded based upon a combination of a 3.7 or higher GPA plus an ACT score of 28 or above. As with all other Barton tuition scholarships, for online classes the tuition amount covered is equal to the same amount as that for face to face classes.

The Barton Fresh Start Scholarship would be targeted to students who had not attended college after graduating from high school or went to another college and are transferring to Barton to complete their degree. The student would have to have had a HS GPA of 3.00 or above and would receive \$1,000 which could be prorated for enrollment (1/2 time = 1/2 of the term scholarship). The student must be a KS resident and seeking a degree or certificate at Barton. The student must complete the FAFSA. The scholarship will be awarded year-round and will be renewed upon making Satisfactory Academic Progress. The scholarship is for students who have been out of high school at least one year.
