

2460 – Hiring Guidelines for Regular (Non-temporary) Faculty and Staff

Appointments

When an unusual or emergency situation occurs and it is in the best interest of the College, the President or his/her designee may forgo the normal candidate search processes noted below by appointing a qualified candidate to fill a vacancy for positions other than Vice Presidential level. If the individual is not already a College employee, the President must present the recommendation to the Board of Trustees at its next regularly scheduled board meeting, to seek approval of the appointment.

The following documentation is needed by the Office of Human Resources when an appointment occurs:

- Approvals up through the President;
- Application Packet (completed in its entirety);
- Reason for immediate hire;
- [Faculty Credential Form](#) with the appropriate approval(s);
- Brief outline of questions and answers that were asked when discussing the assignment with the candidate; and
- [Blue Team Form](#).

For additional required steps, please refer to the Hired Candidate section below.

Approval for Filling Positions

Existing: Prior to beginning the selection process for filling expected vacancies for existing positions;

1. a letter of resignation (terminating employee), job transfer acknowledgement letter or college-initiated letter (non-renewal, involuntary termination, or reduction in force) must be on file in the Office of Human Resources;
2. the supervisor must submit a [Blue Team Form](#) for the departing employee;
3. the supervisor must contact and/or meet with the Director of Human Resources to obtain the salary or hourly rate for the position; and

if there is a hiring freeze or the supervisor is requesting a change to the position affecting budget (e.g., change in length of employment or change in job duties impacting salary grade), the supervisor must submit a determination of need up the chain-of-command to the President or his/her designee to attain approval to refill the position by completing the [Personnel Requisition and Authorization Form](#).

The President or his/her designee will inform the hiring supervisor and the Office of Human Resources of his/her decision.

Please note that the Board of Trustees must approve a new Vice Presidential level position before proceeding with the hiring process.

Job Description

The job description for the position must be reviewed or developed by the appropriate supervisor in conjunction with the Office of Human Resources; the Office of Human Resources has final approval. The job description template as well as existing job descriptions are located on the T Drive underneath HRJob Descriptions.

Creation of Application Packet

The Office of Human Resources, working closely with the appropriate supervisor, will customize the content of the application packet used by a screening committee (see below) for the open position.

Advertisement of Position

The appropriate supervisor, working closely with the Employee Recruitment Specialist, must create an advertisement for the position. After being approved by the President or his/her designee, all advertisements will be publicized according to the College's Advertising Guidelines and considering the recommendations of the appropriate supervisor.

If a like position has been advertised within the last six (6) months, the supervisor may review those candidates. The supervisor must contact those candidates under consideration to determine his or her interest and availability for the open position. If an adequate number of candidates have been found, the supervisor does not need to proceed with a new advertisement.

Application Material

All application material is to be submitted to the Office of Human Resources for processing. If, at any time, application material is submitted directly to departments or individuals, the application material must be forwarded to the Office of Human Resources. If material cannot be copied, arrangements can be made to make the material available to the supervisor or his/her designee. Copies (the ones forwarded by the Office of Human Resources and any others that are made by the supervisor or his/her designee) must be returned to the Office of Human Resources, after the hiring process is completed.
