(2) Interaction between the instructor and the student is limited, is not regular and substantive, and is primarily initiated by the students. (3) Correspondence courses are typically self-paced. (4) Correspondence education is not distance education.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Counseling Service	Activities designed to assist students in making plans and decisions related to their education, career, or personal development.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds2k12_13/Downloads/Forms/IPEDSGlossary.pdf
Course Inventory (CI)	Community Colleges, Technical Institutions, and WIT must maintain a list of all active courses offered by the institution. This is referred to as an institution's course inventory and is part of KBOR's KHEDS data collection. The "key" to the course inventory file is the course ID, section type, and section hours. For example, many courses may have the same course id, but would be unique if either section type or section hours is different.	Kansas Board of Regents (KBOR)	https://data.kansasregents.org/public_doc/support/training/Funding_and_Program_Inventory_Glossary.pdf
Credit	Recognition of attendance or performance in an instructional activity (course or program) that can be applied by a recipient toward the requirements for a degree, diploma, certificate, or other formal award.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Credit Course	A course that, if successfully completed, can be applied toward the number of courses required for achieving a degree, diploma, certificate, or other formal award.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Credit Hour	A unit of measure representing the equivalent of an hour (50 minutes) of instruction per week over the entire term. It is applied toward the total number of credit hours needed for completing the requirements of a degree, diploma, certificate, or other recognized postsecondary credential.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Cross-registration	A system whereby students enrolled at one institution may take courses at another institution without having to apply to the second institution.	Common Data Sets (CDS)	https://commondataset.org/
Deferred Admission	The practice of permitting admitted students to postpone enrollment, usually for a period of one academic term or one year.	Common Data Sets (CDS)	https://commondataset.org/
Degree	An award conferred by a college, university, or other post-secondary education institution as official recognition for the successful completion of a program of studies.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Degree-seeking students	Students enrolled in courses for credit who are seeking a degree, certificate, or other recognized postsecondary credential. This includes students who: - received any type of federal financial aid, regardless of what courses they took at any time; - received any state or locally based financial aid with an eligibility requirement that the student be enrolled in a degree, certificate, or transfer-seeking program; or - obtained a student visa to study at a U.S. postsecondary institution High school students also enrolled in postsecondary courses for credit are not considered degree/certificate-seeking.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Differs by program (calendar system)	A calendar system classification that is used by institutions that have occupational/vocational programs of varying length. These schools may enroll students at specific times depending on the program desired. For example, a school might offer a two-month program in January, March, May, September, and November; and a three-month program in January, April, and October.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Distance Education	Education that uses one or more technologies to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor synchronously or asynchronously. Technologies used for instruction may include the following: Internet; one-way and two-way transmissions through open broadcasts, closed circuit, cable, microwave, broadband lines, fiber optics, satellite or wireless communication devices; audio conferencing; and video cassette, DVDs, and CD-ROMs, if the cassette, DVDs, and CD-ROMs are used in a course in conjunction with the technologies listed above.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Distance Learning	An option for earning course credit at off-campus locations via cable television, internet, satellite classes, videotapes, correspondence courses, or other means.	Common Data Sets (CDS)	https://commondataset.org/
Doctor's Degree	The highest award a student can earn for graduate study. The doctor's degree classification includes such degrees as Doctor of Education, Doctor of Juridical Science, Doctor of Public Health, and the Doctor of Philosophy degree in any field such as agronomy, food technology, education, engineering, public administration, ophthalmology, or radiology. Dual Enrollment	A program through which high school students may enroll in college courses while still enrolled in high school. Students are not required to apply for admission to your college in order to participate. See also Concurrent Enrollments.	Common Data Sets (CDS)	https://www.union.edu/sites/default/files/institutional-research/201807/cds-definitions_2.pdf

Early Action Plan	An admission plan that allows students to apply and be notified of an admission decision well in advance of the regular notification dates. If admitted, the candidate is not committed to enroll; the student may reply to the offer under the college's regular reply policy.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Early Admission	A policy under which students who have not completed high school are admitted and enroll full time in college, usually after completion of their junior year.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
Early Decision Plan	A plan that permits students to apply and be notified of an admission decision (and financial aid offer if applicable) well in advance of the regular notification date. Applicants agree to accept an offer of admission and, if admitted, to withdraw their applications from other colleges. There are three possible decisions for early decision applicants: admitted, denied, or not admitted but forwarded for consideration with the regular applicant pool, without prejudice.	Integrated Postsecondary Education Data System (IPEDS)	https://surveys.nces.ed.gov/ipeds/public/glossary
ECompanion	An ECompanion course shell is not a full online course or a hybrid course; the class meets Face to Face, 100% of its scheduled time, on a campus. ECompanion is used as an online supplement to enhance, not replace, classroom experiences. Faculty can craft the use of ECompanion supplements in any manner that enhances their classroom/course delivery. The idea is to improve instruction and administration. There is no extra cost or fee for courses with an online ECompanion shell. They are the same price as an on campus class.	Course Department of Education Delivery System	CDM - Course Delivery Method

Scheduling Matrix	The scheduling matrix is a Microsoft Excel spreadsheet listing all classes scheduled for a team. It shows the status of each class as of the day and time indicated on the header displayed on printed pages. (Or the user can click on View, then Header and Footer to see the header information with date and time.) The user can find date, day, time, location, instructor and any special fee information related to the classes. It also shows number of enrollments. Other columns contain information related to schedule type, grade mode, session type, cross list, link, fee and other information for those users who need it. The default sort order is course, subject code, course number, then individual class CRN. Occasionally a class will be listed on two or more rows. This is due to multiple combinations of day/time/building/room for the class. For this reason, totals for columns will be deceptive unless a person first ensures that all duplicate entries by CRN have been removed.	Barton Community College (BCC)	Internal to Barton CC
Secondary School Record (as admission factor)	Information maintained by the secondary school that may include such things as the student's high school transcript, class rank, GPA, and teacher and counselor recommendations.	Common Data Sets (CDS)	https://commondataset.org/
