

Team Charter
Barton Community College
Facilities Planning Team

Name of Team:

Facilities Planning Team

Purpose:

To facilitate input of ideas from Faculty/Staff/Students/Community when major changes occur dealing with facility planning (Construction/renovation).

Duration and Time Commitment:

The team has been commissioned as a permanent institutional team. The time commitment varies depending active or planned construction/renovation projects on campus.

Boundaries & Limitations:

The Facilities Planning Team will provide input on uses, design, colors, products, etc. for architectural review, and the selections will be based on code review, funding, and College standards. Additional individuals may be requested to provide input depending on the project.

Expected Results:

- Collect input from Faculty/Staff/Students/Community
