

BUSINESS

Career & Transfer Program

100% Online

This program offers the first two years of a bachelor's degree in Business, Accounting, Finance, Management or Marketing plus gives you the skills to begin employment. It is a perfect alternative for working adults to achieve a degree while still maintaining employment. The curriculum consists of general education requirements plus business courses. Upon completion, students receive an Associate in Science degree in Business from Barton Community College.

Barton's Business Career and Transfer program is currently open for enrollment to students. Courses are offered in nine and seventeen week sessions during the fall and spring semesters and several courses are also offered in the summer session.

For further program information, please visit Barton's Business Career & Transfer website at <http://business.bartonccc.edu>. This helpful website contains a program video, additional program information, and detailed curriculum guides which list the required courses and suggested course sequence for this program.

"As a busy working parent, I needed a quality education program that would work with my demanding schedule. The Online business Program at BCC provided me with great flexibility and value without sacrificing the quality education I was searching for. The combination of great instructors and valuable coursework has prepared me for all of my educational and career goals."

"Just wanted to share the good news that less than two months after receiving my BSBA, I've been offered the job of finance director for a high profile charity near Princeton. Thanks for all your help to get me here!!!
