

BARTON COUNTY COMMUNITY COLLEGE
STUDENT HEALTH SERVICES

IMMUNIZATION PRE-ORDER AND FEE SCHEDULE----FALL 2006

Vaccines are ordered according to pre-registration demands. Payment of vaccines, except the MMR are due at time of service. Payment of MMR vaccine is due at time of order. For your convenience, pre-payment may be made at time of order for all vaccines. Checks can be made to Barton County Community College or arrangements may be made for credit card transactions. We are not considered an insurance provider, so we are unable to handle insurance claims. We will issue receipts upon request.

We will begin giving vaccines the first month of classes unless otherwise notified. **It is the students responsibility to check their mailboxes for notices from the Student Health Office**, although we do make attempts to contact them.

Flu vaccines are provided in the month of October.
