General Information

ABOUT THE COLLEGE

bartonccc.edu/aboutbarton

The idea to create a community college in Barton County was introduced in the early 1960s at the Mayflower Café, a popular Great Bend restaurant on Forest Avenue where businessmen gathered for coffee and conversation. Those early proponents were dedicated to the proposition that everyone has the right to higher education.

Former Great Bend Tribune editor Paul Conrad, the Great Bend Jaycees and later the entire community was involved in bringing a community college to Barton County. Beginning with a feasibility study in 1960 and overcoming a 1962 election defeat, Barton Community College was founded in 1965.

J.A. Mermis chaired the original Board of Trustees. With the trustees at work long before the first students arrived, the college exceeded all expectations from the beginning.

When the college opened in the fall of 1969, more than 1,000 students enrolled in the first classes when only 525 were expected. Today, the college serves more than 13,000 students annually, averaging more than 6,000 headcount and more than 1,000 full-time equivalency each semester.

Throughout its history, the college has been dedicated to the philosophy that the individual is society's greatest resource and has relied on its greatest strength, its employees. From the care given to the physical plant to the individual attention given in its classrooms, the staff and faculty have successfully attracted students from all over the state of Kansas, the nation and beyond.

Barton graduates who transfer have performed as well or better than the university students who started at their respective colleges, according to the universities' reports. Community college students who have entered the workforce have matched the success of their university peers.

The local citizenry and the college's faculty, staff and students put the "community" in Barton Community College and have spread its influence across the state and nation. The college has earned a reputation for its responsiveness to community needs, its adaptability to the changing environment, and its commitment to learning as a lifelong process.

Mission

The Mission of Barton Community College is to provide quality educational opportunities that are accessible, affordable, continuously improving and student focused. Barton is driven to provide an educational system that is learning-centered, innovative, meets workforce needs, and strengthens communities.

We will seek to achieve our mission through five interrelated themes that define our commitment to excellence in education:

Empowerment

We strive to empower all students to formulate and realize educational goals which will promote their personal growth and facilitate their full participation in a rapidly changing world.

Learning

We invite and assist all students to master a core of knowledge and skills needed for advanced learning, employment, personal growth, and responsible citizenship.

Evaluation

We evaluate the relevant skills and knowledge acquired by all students so as to enhance their meaningful and productive educational experiences. Similarly, Barton evaluates its performance in terms of its contribution to student learning and success.

Discovery

Because we are a force for innovation, we continually strive to discover better ways to empower all students to learn and

BARTON COUNTY CAMPUS

The Barton County campus is located on 160 acres, three miles northeast of Great Bend, across the road from Bissell's Point. The campus includes nine buildings in the main section of campus with four buildings of student housing and the Cougar Athletics Fields located on the outskirts.

Students find it easy to get around campus with the Learning Resource Center at the hub and the Science and Math Building, Technical Building, Fine Arts Building, Student Union, Classroom Building, Physical Education Building, and Administration Building forming a circle around the LRC.

Learning facilities include numerous science labs, some of which are equipped for specific programs. The College's attention to technology can be found in its ITV rooms, 35 smart classrooms, numerous computer labs and technical

program labs. The Planetarium offers programs free of charge as a public service. A 40-foot dome theater with 66 seats, the Planetarium is equipped to recreate the night sky in amazing detail.

As more college instructors use the web to support their classes, access to a computer becomes even more necessary. A computer not only helps you do your course work, it's often needed to get your course work in the first place as well as to turn it in, to take tests and to communicate with your instructor.

If you do not have computer access at your residence, the Barton County Campus has computer labs and wireless access points across campus and in Student Housing. Additionally, there may be other access points available to you in your community through public libraries or schools. You do have to be on campus to use our computers so convenience makes it worth considering the purchase of your own.

Cultural facilities include an 840-seat auditorium and the Shafer Art Gallery. Named for Hoisington, Kan., native and internationally known artist Gus Shafer and his wife, Eva, the gallery schedules shows of local, regional and national interest. Barton's Permanent Art Collection features

more than 800 pieces in its collection, including more than 25 Shafer bronzes and more than 100 works by Great Bend native Charles B. Rogers.

Recreational facilities include an all-weather track; tennis courts; baseball, softball and soccer fields; a basketball and volleyball arena; an indoor swimming pool; the Windy Hill Disc Golf Course; and the Kirkman Student Activity Center, which houses indoor practice facilities; a fitness center, spring floor and the Thelma Harms Wellness Center.

Barton offers on-campus housing for 340 students in a comfortable and fun setting for both men and women. Living on campus enhances students' opportunities to meet other students and adapt to college life easier and quicker. Conveniences like free cable and free Internet are available in each room.

Camp Aldrich Conference Center **campaldrich.bartonccc.edu**

Buildings of rough cedar and unique roof-lines blend into the rolling sand hills.

Approximately 70 species of wild flowers and grasses and 57 different species of birds have been identified by campers. Some of the birds are on the endangered species list.

The camp property is composed of the Administration Building, parking lot, the Dining Hall, five lodges that can also be used for seminars and classrooms, a pool and a bathhouse. BARTonline

online.bartonccc.edu

Barton Community College operates a virtual campus, BARTonline, using a Learning Management System that allows students to choose the best time for them to complete assignments within each unit. Courses utilize weekly blocks that allow students to determine the best time of day and the best days of the week to attend class. Students can take a single class or pursue and earn a variety of degree and certificate programs. Students may also take classes for the purpose of transfer to other institutions.

BARTonline

Courses are offered in six, eight, sixteen, and four week formats. Fall and spring semesters each contain two six-week, two eight-week, a sixteen-week, and a four-week session. The summer session contains two six-week and two eight-week sessions. Each of the courses listed in the BARTonline catalog is offered at least once each semester. Classes are never canceled because of low enrollment.

The college's accreditation by The Higher Learning Commission (**hlcommission.org**) has been expanded to include offering associate degrees and certificates online. Students may earn an associate in arts, associate in science, or associate in general studies degree as well as an associate in applied science degree in some career technical education programs.

FORT LEAVENWORTH CAMPUS

FL.bartonccc.edu

Fort Leavenworth is the oldest military installation west of the Mississippi River. It was established in 1827 as a forward operating base to protect the Santa Fe and Oregon Trails. Lewis and Clark explored the area where the fort is located between 26–29 June in 1804. Fort Leavenworth is historically known as the "Intellectual Center of the Army." This tradition began in 1881, when General William T. Sherman established the School of Application for Cavalry and Infantry. The school evolved into the U.S. Army Command and General Staff College (CGSC), which currently resides at Fort Leavenworth.

Today, Fort Leavenworth covers 5,634 acres and houses over 3,600 permanent party soldiers. Many of these soldiers stationed at Fort Leavenworth support the United States Disciplinary Barracks (USDB) which is the only maximum security correctional facility in the Department of Defense and the oldest penal institution in continuous operation in

Academic Progress

To meet the required academic and progress performance standards of Barton Community College, a student should consider the following:

Academic Standing: If your scholastic performance appears to offer little prospect of academic success, you may be dismissed with or without privilege of reinstatement. You may not petition for reinstatement until one semester has expired after academic dismissal from the College.

Getting Started

Procedures Governing Academic Warning and Dismissal:

If you have not accumulated a 1.5 GPA when 24 credit hours have been attempted you will be placed on a one-semester warning. This academic warning is designed to alert you that you may encounter difficulty in meeting graduation requirements and steps should be taken immediately to improve your academic status. You must have a 2.0 GPA when you have attempted 48 hours. If the cumulative GPA is below this minimum, you will be placed on academic warning after one semester. (Note: All computations are based on A, B, C, D, or F grades).

Dismissal: If you have been placed on academic warning for one semester and do not raise your GPA to the minimum requirements as outlined, you will be dismissed for one semester. However, you will not be dismissed at the close of a semester or summer term during which you achieved a "C" (2.0) average or better.

Reinstatement: If you have been dismissed from the College for poor academic progress, you will be provided a period of at least one semester during which you may reconsider and re-evaluate your academic goals. At the end of the dismissal period, you may apply for admission to the College by filling out a regular application for admission form. You will not be allowed to enroll in more than 12 credit hours for the first semester of attendance after a period of dismissal.

Appeals: Any person limited by these regulations who has marked improvement or who believes he/she has been affected unfairly may appeal to the Enrollment Services Office.

TESTING AND PLACEMENT

Students at the Great Bend campus, the Fort Riley campus and the Fort Leavenworth campus entering college for the first time without ACT, SAT, ASSET, Accuplacer, or COMPASS scores may take the Accuplacer test.

Barton Community College placement testing determines readiness for college level coursework. Prior to their enrollment in math, English, or other programs/courses with prerequisite placement scores, students who do not have placement scores shall undergo assessment of basic skills. Placement test scores will be used to place students in the appropriate English, reading, or math course.

Students should understand the high-stakes nature of these tests in determining their placement in college classes. These tests measure academic capability and should not be confused with tests measuring intelligence or ability. Testing provides both the student and the advisor an effective tool to position the student for academic success. Through enrollment in proper courses, students are more likely to meet their academic goals.

Other Testing Services

For information about other testing services, please see the Student Services section of the catalog on page 25.

RESIDENCY STATEMENT

All applicants must indicate your residency status on the application.

For the purpose of being assessed college tuition, Kansas residents are persons, who, if adults, have resided, or if minors (under 18) whose parents have resided in Kansas for six months immediately preceding the first day of classes.

stationed in Kansas, and students acquiring an abode, whether by purchase, renting or otherwise and intending to live in it permanently or indefinitely, should consult the Office of Enrollment Services if in doubt about their residency status.

It is the student's responsibility to enroll under the proper residency classification. If there is any question concerning residency status, it is the student's responsibility to raise the question in the Enrollment Services before the start of the semester.

Certain undocumented immigrants and others may be eligible for resident tuition. This applies to any student who:

1. Has attended an accredited Kansas high school for three or more years and
2. either graduated from an accredited Kansas high school or has earned a GED issued in Kansas and
3. a.) in the case of a person without lawful immigration status; has signed and filed an affidavit with the institution stating that the person or the person's parents have filed an application to legalize such person's immigration status, or will file such an application as soon as such person is eligible to do so or
4. b.) in the case of a person with a legal nonpermanent immigration status, has filed with the postsecondary education institution an affidavit stating that such person has filed an application to begin the process for U.S. citizenship or will file such application as soon as such person is eligible to do so.

Students who meet eligibility requirements should request an affidavit from the Admissions Office or the Office of Enrollment Services.

Tuition & Fee Waiver for Deceased Safety Officer Dependents

Effective July 1, 1996, individuals who were dependents of any Kansas firefighter or law enforcement officer who died as a result of injuries suffered in the line of duty will be allowed to enroll without charge of tuition or mandatory fees at any public institution of postsecondary education in the State of Kansas. (Kansas Senate Bill 325)

Waiver Guidelines

- Dependents include birth child, adopted child, stepchild or any child who was actually dependent in whole or in part of a public safety officer and those who are related to the public safety officer by marriage.
- The statute is not retroactive and will not provide a vehicle for recovery of tuition and fees paid prior to July 1, 1996. However, the death of the law enforcement officer/firefighter could have occurred prior to July 1, 1996.

- The fees which are waived are those fees which all students must pay at the time of enrollment.
- If you qualify, you must complete a form before the waiver is accepted. Forms may be obtained or additional questions answered by the Business Manager, Kirkman Visitor Center, located on the Barton County Campus, 792-9319.

Tuition & Fee Waiver for Dependents of Veterans

K.S.A. 75-4364 provides an opportunity for dependents and spouses of certain military personnel who died on or after September 11, 2001, while, and as a result of, serving in active military service to enroll in Kansas postsecondary educational institutions without payment of tuition or fees. Enrollment without payment of tuition and fees means that an eligible student will be allowed to enroll without payment of tuition or any mandatory fees required of all students at the time of enrollment. The student will be responsible for other charges associated with the student's academic program and living costs.

FINANCIAL AID

financialaid.bartonccc.edu

Barton's Financial Aid Office assists in funding students' educational objectives while administering programs within federal, state, and institutional requirements.

Federal Financial Aid

To apply for Federal financial aid, a Free Application for Federal Student Aid (FAFSA) must be completed. Students can complete a FAFSA online at studentaid.gov. There is no charge to have an application processed. If financial aid is applied for in one school year, the student may be sent a renewal application the next year.

Federal Pell Grants are funded by the federal government and do not need to be repaid. This program is designed for undergraduates who do not have a bachelor's degree, and it serves as the foundation, or base, for other forms of aid. Eligibility is based on need. The amount of the Federal Pell Grant is determined by a federal funding formula and number of credit hours for which the student is enrolled. The maximum award for the 202-21 year is \$6,345.

Federal Supplemental Educational Opportunity Grants

(FSEOG) are funded by the federal government and do not need to be repaid. Eligibility is based on need and availability of funds. Institutions participating in the FSEOG program are responsible for formulating a policy regarding distribution of FSEOG. Barton awards FSEOG in amounts of \$500 per term during the fall and spring terms to those applicants showing the greatest need as long as funds are available.

Getting Started

Federal Direct Student Loans are low interest loans that are either subsidized or unsubsidized. A subsidized loan is based on financial need unmet by other aid. The federal government pays interest or (“subsidizes”) the loan as long as the student is enrolled in at least six credit hours. On an unsubsidized loan the student will be charged interest from the time the loan is disbursed until it is paid in full.

Institutional Scholarships

Barton Bound Scholarship

You must be a Kansas High School graduate to be eligible for the Barton Bound Scholarship. The award is based upon high school GPA or ACT score, whichever is higher. To be awarded a scholarship, complete and submit a Barton Admissions & Scholarship Application. Students must also submit a FAFSA application before they are eligible to receive an academic scholarship. As with all other Barton tuition scholarships, for online classes the tuition amount covered is equal to the same amount as that for face to face classes.

Award	Award Amount	Kansas HS GPA		ACT Score
Excellence Award	Tuition & Books	3.6 and Above	or	26+
Honor Award	\$1,000	3.0 - 3.59	or	24 - 25

The scholarship in combination with other resources cannot exceed direct cost of the classes.

If you have any questions or concerns about financial aid at Barton please refer to our website or if you do not have access to a computer call us at 792-9270 or (800) 748-7594.

Return to Title IV Refunds

The federal government mandates that if you withdraw either officially or unofficially from all of your classes you may only keep the financial aid you have “earned” up to the time of withdrawal. If you drop your classes before they are 60% completed, you may be required to repay a portion of your federal aid. If Title IV funds were disbursed in excess of the earned amount they must be returned by Barton and/or by you to the federal government. This situation could result in you owing federal aid funds to Barton, to the government, or to both. *This does not apply to you if you have dropped some of your classes but remained enrolled in others, or have successfully completed at least one class.

When you withdraw from classes 100%, Barton must determine the actual amount of federal aid that you earned while you attended your classes. To determine the amount of aid you have earned up to the time of withdrawal, Barton will divide the number of calendar days you attended classes by the total number of calendar days in your program of study (less any scheduled breaks of 5 days or more). The resulting percentage is then multiplied by the total federal funds that were disbursed to you for the semester. This calculation determines the amount of aid you earned which you may keep (for example, if you attended 25% of the term, you have earned 25% of the aid disbursed). The unearned amount (total aid disbursed less the earned amount) must be returned to the federal government by Barton or by you. Barton will notify you if you are required to repay any of your federal funds.

Federal funds that may be affected by a 100% withdrawal are the Federal Pell grant, Federal student loans and Federal SEOG

grant. Financial aid returned (by Barton and/or by you or by your parent) must be allocated in the following order:

1. Federal Unsubsidized Student Loan
2. Federal Subsidized Student Loan
3. Federal PLUS (Parent) Loan
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (FSEOG)

If you withdraw before your federal aid has been paid, you may be eligible for a post withdrawal disbursement. If that is the case, the Financial Aid Office will be notified of your withdrawal and will determine if you are subject to a PWD (Post Withdrawal Disbursement). The Business Office will issue a check to you if a credit balance results from a PWD.

ACTIVITIES

Student activity programming supplements instructional programming by providing experiences designed to increase students' enjoyment of life and stimulate their personal growth and social development. Student interest organizations, clubs and activities have been created to provide these opportunities and experiences. Each club or organization has faculty or staff sponsors who are directly responsible to and for their respective groups. The Director of Student Life oversees these activities and clubs.

Student Government Association – The SGA is the representative body of the student population. It is comprised of elected student officials who provide a “voice” for the student body relevant to their campus experience, and who plan student activities. Elections are held for sophomores in the spring semester and for freshmen in the fall semester. Contact the Director of Student Life at 792-9271 for more information.

ADVISEMENT

Barton's advisement system is a student-centered, advisor driven system designed to increase student success and retention by promoting close and continuous contact between students, advisors, and the Barton student support structure. Advisors are expected to be accessible to advisees and exhibit an open-door policy.

An Advisement Coordinator will assign an advisor to all degree and certificate seeking students. Non degree seeking students are assigned to the Advisement Center for advisement.

Advisors can help with many things. Here are a few:

- Degree Planning
- Career Options
- Enrollment
- Dropping/Adding a class
- Changing majors and/or advisors
- Graduation requirements
- Advice on courses, schools, and life issues

Academic advisors will provide a friendly, open environment that will foster self-exploration, self-awareness and self-evaluation thus enhancing a sense of personal identity. Additionally, advisors assist students in exploring the possible short and long-range consequences of their choices and facilitate students' recognition and acceptance of personal responsibility for what happens in their lives. Advisors will assist their advisees, not only with semester-by-semester planning, but with college career, workforce, and/or transfer plans as well.

TESTING AND PLACEMENT

Barton Community College placement testing determines readiness for college level coursework. Prior to their enrollment in math, English, or other programs/ courses with prerequisite placement scores, students who do not have placement scores shall undergo assessment of basic skills. Placement test scores will be used to place students in the appropriate English, reading, or math course.

Students should understand the high-stakes nature of these tests in determining their placement in college classes. These tests measure academic capability and should not be confused with tests measuring intelligence or ability. Testing provides both the student and the advisor an effective tool to position the student for academic success. Through enrollment in proper courses, students are more likely to meet their academic goals.

Barton will accept SAT, ACT, Accuplacer, ASSET, or COMPASS scores if they are less than five (5) years old. Students without placement scores will take the Accuplacer test. Students who need to complete the Accuplacer test should contact the Testing Coordinator at placementtesting@bartonccc.edu. Individuals requiring testing accommodations due to disability should contact disabilityservices@bartonccc.edu or call (620) 786-1102.
