| SHIFT DIFFERENTIAL PAY | <ul style="list-style-type: none"> For employees who are required to perform shift work on a regular basis outside of traditional daily schedules as a condition of employment, employees are eligible to receive additional shift differential pay at the rate of \$1.50 per hour worked. Shift differential pay shall be provided for any hourly employee for hours worked during an eight (8) hour, ten (10) hour, or twelve (12) hour shift after 6:00 p.m. and prior to 6:00 a.m. Shift differential pay shall be paid for actual hours worked. If shift differential pay is applicable and authorized overtime occurs in conjunction with the regular workday, the shift differential shall be paid for each hour of overtime worked, and the shift differential pay shall be added to the base hourly rate prior to computing the overtime rate. |
| STANDBY HOURS | <ul style="list-style-type: none"> Non-exempt employees on standby receive \$1.50/hour for each hour of being on standby. On observed holidays employees on standby shall receive \$2.50/hour for each hour of being on standby. If the employee is called back to work, he or she will receive a minimum of two (2) hours of call-back pay in addition to standby pay. Standby hours do not count towards the computation of overtime hours during a work week. |
