ABCOWIRE & Metal Products in Russell, Kansas is looking for the right person to join our management team. We design and manufacture wire, metal, and wood displays for grocery stores, convenience stores, and specialty items for other industries.

Responsibilities:

- *Train to grow into a permanent senior management role
- *Manage, lead, and encourage production workers
- *Learn product pricing and purchasing – raw materials and equipment repair parts.
- *Learn our CAD Design software proficiently
- *Work with customers to design products for their specific needs
- *Manage Human Resources
- *Develop sales accounts which may involve limited travel
- *Work with OSHA and KDHE when necessary to maintain safe working environment and comply with all rules and regulations.

Requirements:

- *A two or four year college degree in a field related to business, management, or marketing.
- *Well organized with the ability to prioritize tasks
- *Written and verbal communication skills

*Ability to work with others

*Willing and available to occasionally work weekends, public holidays, and evenings when necessary.

*Willingness to spend at least two months on the production line learning the manufacturing capabilities, equipment, the production processes and how the production floor operates, and our shipping procedures.

*Proficiency in Word and Excel, (i.e. functions and formulas).

Thank you!
