### **Agronomy Applicator**

The Ellsworth Coop has a job opening for an Agronomy Applicator. Normal hours will be Monday-Friday 7:30am – 4:30pm. Overtime hours are expected during the busy season. Starting pay of \$20-\$25 per hour based on qualifications and experience. We will assist applicants in obtaining 1A license and CDL if needed.

This position is responsible for the following job duties:

- Custom application of fertilizers and chemicals.
- Responsible for a basic understanding of all chemicals, fertilizers, and their abilities of control.
- Assists with customer sales, stocking, advertising, and inventory control of merchandise.
- Mixes, loads, and delivers fertilizer products to our cooperative customers.
- Maintains application and spray records.
- Employees are required to perform all other duties as assigned. As well as assisting other departments when needed.
- Math skills are required for proper conversions while mixing chemicals.
- Operates fertilizer/chemical tender truck when needed. Will also assist with feed deliveries when needed.

This position requires the following licenses:

- Valid Driver's License, with a safe driving record.
- 1A Custom Applicator License or ability to obtain.
- Certified Crop Advisor (CCA) License is preferred, but not required.
- Commercial Driver's License (Class A) with Tanker endorsement or ability to obtain.

Applications are available online at [ellsworthcoop.com](http://ellsworthcoop.com) or by calling the main office at 785-472-3261. The Ellsworth Coop is an equal opportunity employer.
