

## **Kansas Department of Transportation**

The Kansas Department of Transportation (KDOT) delivers transportation that keeps Kansans moving forward. Our employees are our most valuable resource. We depend on our employees and business partners to get the job done. KDOT strives to provide a work environment that motivates people and encourages them to be productive. KDOT is a great place to work, so come be part of our team!

### **Compensation:**

- **Base Annual Salary:** \$50,918.40
- **Base Hourly Pay:** \$24.48

### **Position Summary:**

This Equipment Mechanic position is in Atwood, KS; Olathe, KS; and Pratt, KS. The position exists to provide skilled mechanical work for the maintenance and repair of equipment in support of KDOT's construction and maintenance activities. It also provides skilled welding and fabrication work. Additionally, the Equipment Mechanic completes work orders and handles the procurement of parts including ordering and tracking.

### **Job Responsibilities may include but are not limited to the following:**

- Performs a full-range mechanical overhaul & repair of light, medium and heavy-duty vehicles, and equipment. This includes occasional repairs in the field.
- Diagnoses malfunctions and troubleshoots to determine the cause of failure on complex systems, including but not limited to, hydraulics and pneumatics systems.
- Makes working diagnosis of mechanical failure by means of specialized testing equipment and visual or auditory checks.
- Performs tune-up, electrical repairs, and maintenance/adjustment on both automotive and heavy-duty equipment.

### **Minimum Qualifications:**

- Six months of experience in automotive and/or diesel mechanics to meet the needs of the agency.
- Education may be substituted for experience as determined relevant by the agency. **Transcripts are required for education to be considered.**
- Valid Driver's License at time of appointment.

### **Preferred Qualifications:**

- Team oriented ability to perform work that requires moderate physical exertion.
- Experience with the maintenance and repair of heavy gasoline or diesel-powered equipment used in construction & maintenance activities or other comparable physical settings.
- This position is subject to pre-employment physical capacity testing. The selected candidate will be required to pass the screening as a condition of employment.

### **Equal Employment Opportunity**

The State of Kansas is an Equal Opportunity Employer. We value diversity, equity, and inclusion as essential elements that create and foster a welcoming workplace. All qualified persons will be considered for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, political affiliation, disability, or any other factor unrelated to the essential functions of the job. If you wish to identify yourself as a qualified person with a disability under the Americans with Disabilities Act and would like to request an accommodation, please address the request to the agency recruiter.
