

Senior Operations and Maintenance Technician
Position #1400549, Holcomb, KS

Northern Natural Gas Company, a subsidiary of MidAmerican Energy Holdings Company, is seeking a Senior Operation and Maintenance Technician in the Holcomb, Kansas area specializing in gas measurement. Technicians perform preventative maintenance on gas quality equipment, meter stations and pipeline equipment; operate associated work equipment, power tools, hand tools and specialized instruments. They must comply with state and federal specifications, codes, safety standards, Northern Natural Gas operating procedures and maintain required records.

All qualified candidates must possess a valid driver's license, high school diploma or equivalent education, three to five years of related experience, mechanical maintenance experience, strong verbal/written skills and computer knowledge utilizing Windows based programs. Operations skills are beneficial. Candidates are required to carry a pager or cell phone and are subject to call-out 24/7 and possible extended workdays. Working conditions include exposure to hazardous conditions, including escaping gas, adverse weather conditions and temperatures, heights, high-pressure gas, heavy lifting and cramped spaces.

We offer a competitive salary and benefits package. Visit our website at www.northernnaturalgas.com and apply online. No phone calls or personal visits, please. Northern Natural Gas is an Equal Opportunity Employer and subscribes to a drug-free/tobacco-free work place.
