

# Operation Specialist Job Description

Operation Specialists assist in the development and execution of the farming and ranching operations. This position provides hands on experience and training with farm and ranch equipment and technologies.

We are passionate about the family farm and the values we operate under. Management takes pride in providing team members the responsibility and independence needed to grow professionally. We strive to promote a culture of open communication and integrity.

As a member of this team, your ideas will be valued and your achievements recognized.

As in any farming operation the hours vary dependant on the time of year and weather. We look forward to visiting with you about our semi-self directed scheduling.

This position is based from our family owned farm North of Hoisington, Kansas. If you are self-motivated, hardworking, outdoors enthusiast please contact us at [ifwoydziaak@hotmail.com](mailto:ifwoydziaak@hotmail.com).

## **Duties / Responsibilities (training provided):**

- Operate, maintain, repair farm equipment (tractor, combine, sprayer, semi, . . .)
- Operate and maintain precision ag equipment (trimble)
- Evaluate and implement new technologies and farming practices
- Implementation of cropping plan
- Coordinate product inventory (chemical, fertilizer, seed, . . .)
- Communicate progress and keep team informed
- Assist in ranching operation
- Local travel required
- Other duties as required

## **Skills, Knowledge, Abilities:**

- Self-motivation, willingness to learn and have good work ethic
- Ability to work independently and proceed with objectives without close supervision
- Ability to effectively communicate
- Desire to serve others in a positive team atmosphere
- Mechanics knowledge is desired but not required
- Desire to remain updated with new agricultural trends and technology
- Proficient computer / phone skills - email, internet
- CDL is desired but not required if you demonstrate the ability to operate large equipment

## **Candidate's Required Credentials / Experience:**

Valid Driver's License
