POSITION SUMMARY

Working as part of our retail banking team, our tellers are often the first point of contact. Tellers not only handle a variety of customer transactions, they use problem-solving skills to help evaluate customer needs, seek solutions and respond with appropriate bank products and services. Prior sales experience and math skills are preferred. Ideal candidates will look for ways to “Wow” our customers and build relationships in the local community.

QUALIFICATIONS

- Maintain a high degree of discretion and confidentiality.
- Skills necessary to work independently within a team setting.
- Be detail-oriented and organized.
- Advanced communication and customer service skills.
- Moderate level of understanding of basic personal computer programs (Internet, Word, Excel, and Outlook)
- Reliable transportation
