

Mobile Access Guide

Mobile Access Guide needs to be used when library patrons are not physically located on one of Barton Community College's campuses.

Important: this information is only to be used by currently enrolled students or Barton employees.

Step 1:

Access Barton Library's "Library Resources" by...

- Logging into MyBarton Portal and click on the "Library Resources" tab.
- Going to Barton Library's [website](#) and click on [Library Resources](#).

Step 2:

Enter the username/password to access Barton Library's electronic resources.

- **Username:** bcclibrary
- **Password:** research1617

Note the following information:

- Gale Cengage: you will only be asked for the password.
- Credo Reference: You will be asked to choose a library – choose "Barton County Community College Library." Then proceed to log in.
- Proquest Nursing & Allied Health: **username:** bccclibrary **password:** Research@1617
- Jove (1 & 2): You will be directed to enter an email instead of a username - enter library@bartonccc.edu (**password:** research1617).
- AllData and Mitchell can only be accessed on-campus and in the automotive shop/classroom (Great Bend campus).

Step 3:

Contact Barton Library if you need assistance in downloading mobile app for EBSCOhost, Gale Cengage, Micromedex, Mango Languages, or KS State Library apps.
